11 YEARS OF PUBLIC ART
EAU CLAIRE, WI • SCULPTURETOUR.ORG

WELCOME TO SCULPTURE TOUR,

Celebrating our 11th Season of free public art!

This program is run entirely by a non-profit organization, powered by the sponsorships and donations of local business owners and people just like you who have enjoyed the tour!

Our goal is to enhance the quality of life and use free public art to promote:

<i>Tourism</i>	<i>Economic Development</i>
<i>Downtown Revitalization</i>	<i>Education</i>
<i>Active Lifestyles</i>	<i>Community Pride</i>

Added to that list are *Pandemic Recovery* and *Social Inclusion*. The most important aspect of the Sculpture Tour is that it is free and available to the public 24/7 on our city streets. Sculpture Tour removes any socio-economic barriers and makes art available to families, schools, youth groups, senior centers, recovery programs, rehabilitation programs and more.

While this year certainly tested our resolve, we actually added an adjunct program—and welcome Red Wing as a sister city exhibiting work of our favorite artists! We also will color downtown and celebrate our 2nd year of the ColorBlock mural project.

Now more than ever, we believe free public art is fundamental to the vitality of our communities, and we are committed to providing FREE PUBLIC ART for years to come!
Enjoy!

EAU CLAIRE'S COLORBLOCK

ColorBlock is the newest extension of Sculpture Tour, furthering our mission to bring free public art to Eau Claire. The project features original mural art by local and regional artists, and changes annually according to a different theme. ColorBlock strives to be a platform for emerging artists seeking new opportunities, as well as a continuously evolving destination that will keep tourists and locals alike coming back.

In August 2020, the ColorBlock Committee of Sculpture Tour facilitated the installation of five murals by local artists on the walls of Clear Water Home Care, 615 S Barstow Street. Artists included Christina Dickman-Loew, Jaden Flores, Evan Peterson, Abby Semman, and Jenna Wood.

Thank you to DECI for the Downtown Enhancement Grant, Clear Water Home Care, and our artists and volunteers.

SCRAPOSAURS

It's Eaurassic Park! in Spring 2021, Sculpture Tour teamed up with Visit Eau Claire and Artisan Forge Studios to display the 14-dinosaur traveling exhibit, *Scraposaurs*. Created by Minnesota artist and Sculpture Tour staple Dale Lewis, these larger-than-life sculptures were designed to be played upon and enjoyed by all ages. The *Scraposaurs* traveling exhibit showcases Lewis' use of recycled metal and found objects, including a 6-foot-tall, 250-pound *Tyrannosaurus rex*. See them at Artisan Forge Studios at 1106 Mondovi Rd, and www.artistdalelewis.com.
