

## Walk through history VISIT ELIZABETH, NEW JERSEY

Our city is 350 years old and we have the history to prove it! Walking through our Historic Midtown District, you will find yourself walking through many historical sites; from some of the oldest cemeteries in the state, to homes/mansions where major figures of the Revolutionary War lived and visited, to monuments honoring the times our founding countrymen fought off the British to make America possible. You will be amazed at how much you didn't know... you didn't know!

Elizabeth has just as much historical significance as Boston or Philadelphia, but instead of having it gated off with red velvet ropes, our community lives among its authentic history.
