

BIG CITY CHARM *with Hometown Flare...* **MINUTES FROM NYC**

STUDENT GROUPS TAKE PIZZA PARTIES TO THE NEXT LEVEL SAVE ON DINING COSTS ON YOUR WAY IN AND OUT OF NYC

Nothing says “New Jersey” like pizza! Childhood memories of pizza parties with friends are always some of the best nostalgia one can have. But as we get older, pizza parties seem to go “out of style”. Well, Elizabeth, NJ is bringing back pizza parties and taking them to the next level of fun and excitement, with Crust Pizza and Barcode.

Student groups will love the opportunity to take a quick break from their busy itineraries to experience how “size does matter” at Crust Pizza! With pies that are almost 2 feet wide, Crust brings the perfect **“Instagram worthy”** pictures for students to show off their large slices in a fun and unique atmosphere!

After picking up your pizzas, groups will head next door and enter Barcode, an attached venue that provides spacious seating and big screen TVs to watch any sporting events that may be playing or dance along to music on their state-of-the-art sound system.

After eating (or even during) enjoy the mini bowling lanes or pool tables and complete “pizza party” experience with some friendly challenges.

Not only does Elizabeth provide delicious pizza and entertainment, but it is only 30 minutes outside of New York City, allowing groups to be able to explore big-city life if they choose.

Being centrally located, Elizabeth allows for student groups to come in from all types of travel - air, train or bus - and experience a cultural and historic city while saving on dining costs and completing your student travel agenda. Come visit us...we’re closer than you think!
