## > 2017 CAPITAL REPLACEMENT PLAN

The Elkhart County, IN Convention & Visitor Bureau, Inc has made it a goal to maintain and continually upgrade the current viable equipment.

**The focus of the Capital Equipment Replacement Plan is to:**

- Maintain current infrastructure (example: Server Maintenance, Application Upgrades)
- Provide necessary tools and technologies to CVB employees (example: PC & Server replacement, new software, etc.)
- Maintain office equipment, furniture and vehicle needs

**The Capital Plan below outlines the strategic direction for each focus area mentioned above.**

**Maintaining Existing Infrastructure:**

- PC Replacement Plan Replace three employee PC desktops every 5 years, Mac every 4 years and laptops every 4 years
- Server Replacement Replace server every 4 - 5 years to achieve 100% network uptime to ensure critical systems remain operational
- Telephone Equipment Telephone Network: replaced as needed, Cell phones/mobile devices: replaced every 2 - 3 years
- Network Printer, Scanners, Projectors, Cameras: Replace annually as needed
- Software: Replace server every 4 - 5 years to achieve 100% network uptime to ensure critical systems remain operational
- Miscellaneous Software, Hardware (external hard drives, keyboards, mice, monitors, battery backup, replacement backup batteries, etc.): Replace annually as needed
- Vehicles: (1) vehicle maintains a 3 - year lease, (1) vehicle purchased, replaced as needed (approximately 10 years)
- Furniture: Replace as needed, currently all staff offices are equipped to ensure 100% productivity

**Request for Exceptions to Replacement::**

In some situations, there may be a need to run special software, upgrade an OS or perform unique tasks where a desktop computer, network equipment or server system would require more memory, a faster processor, or a larger hard disk drive than the one currently in use. This situation will be evaluated to determine an appropriate upgrade path. Recommendations may include additional memory, a larger hard disk drive or storage unit, a newer workstation computer, network equipment or server system. While the majority of requests are expected to come at the end of year, requests will be reviewed throughout the year to handle unforeseen changes.

### **Advertising**

**Frequency** - Average number of times households or persons viewed a given program, station or advertisement during a specific time period. This number is derived by dividing the Gross Ratings Points (GRPs) by the Reach.

**Gross Rating Point (GRP)** - A unit of measurement of audience size. It is used to measure the exposure to one or more programs or commercials, without regard to multiple exposures of the same advertising to individuals. *One GRP = 1% TV households.*

**Circulation** - Refers to the number of copies sold of a given publication, at a given time or as averaged over a period of time.

**Impressions** - Sum of audiences, in terms of people or households viewing a publication, where there is exposure to the same publication or program on multiple occasions. Two gross impressions could mean the same person was in the audience on two occasions or that two different people had been exposed only once.

**Reach** - Unduplicated number of individuals or households exposed to an advertising medium at least once during the average week for a reported time period (also known as *Cumulative Audience*).

**ROI** - Return on Investment.

### **Public Relations**

**Advertising Equivalency** - A means of converting editorial space in the media into advertising costs, by measuring the amount of editorial coverage and then calculating what it would have cost to buy that space, if it had been advertising.

**Circulation** - Refers to the number of copies sold of a given publication, at a given time or as averaged over a period of time.

**IEG** - This organization is an industry-recognized leader in the area of sponsorships. Through its website, sponsorship.com, and an annual conference, online reports and events, it is a source for insights, training and networking.

**Impressions** - The number of those who might have had the opportunity to be exposed to a story that appeared in the media. Sometimes referred to as "opportunity to see." An "impression" usually refers to the total audited circulation of a publication or the audience reach of a broadcast.

**MarketingProfs** - Industry leader for modern marketing tools, training, strategies, articles, online seminars, and discussion forums.

**Media Marketplace** - Annual conference organized by state tourism, bringing together travel media writers with tourism organizations, major hotel properties, attractions and transportation companies.

**Meltwater** - Online service used to track media coverage, establish contacts with media professionals and influencers, and distribute press releases and story pitches.

### **Digital/Website**

**Ad Views (Impressions)** - Number of times an ad banner is (presumably) seen by visitors.

**Click-through Rate** - the percentage of people visiting a web page who access a hypertext link to a particular advertisement

**Hyperlink** - An electronic connection between two websites.

**Engagement** - Engagement Rate is a metric that social media marketers use to measure a brand's effectiveness at engaging their audience. Typically engagement rate takes your comments, likes, shares, actions divided by fans/followers.

**GetSmart** - A personalization platform that allows you to serve targeted experiences to website visitors in real-time.

**Impressions** - Impressions are the number of times a post from your Page is displayed, whether the post is clicked or not. People may see multiple impressions of the same post. For example, someone might see a Page update in News Feed once, and then a second time if their friend shares it.

**Mobile App** - A mobile app is a software application designed to run on mobile devices such as smartphones and tablet computers

**Page Views** - Number of times a user requests a webpage that may contain a particular advertisement.

**Social Media** - Website, Emails, Blog, YouTube, Pinterest, Flickr, Facebook, Twitter.

**Unique Visit** - Number of different individuals who visit a website within a specific time period.

**Visit** - A sequence of requests made by one user at one website. If a visitor does not request any new information for a period of time, known as the "time-out" period, then the next request by the visitor is considered a new visit.

**Waze** - Targeted Digital "billboard" that displays information to drivers based on their location.

### **Travel Industry**

**Package Travel** - A package in combination of two or more types of tour components into a product which is produced, assembled, promoted and sold as a package by a tour operator at an all-inclusive price.

**Tour Series/Tour Programs** - Multiple departures to the same destination throughout the year.

**Group Tour** - A travel package for an assembly of travelers that has a common itinerary, travel date, and transportation. Group tours are usually prearranged, prepaid, and include transportation, lodging, dining, and attraction admissions.

**Independent Travel (IT)** - A custom-designed, prepaid travel package with many individualized arrangements. ITs are unescorted and usually have no formal itinerary. Sometimes referred to as FIT.

**Travel Trade** - Any individual or company that creates and/or markets tours and/or IT packages. Travel trade includes but is not limited to tour operators, travel agents, individual travel planners, online travel companies.

**Tour Catalog** - A publication by tour wholesalers listing their tour offerings. Catalogs are distributed to retail agents who make them available to their customers.

**Economic Impact** - Visitor spending generates secondary spending (*indirect and induced*) on the destination's local economy over and above the original visitor spending. These secondary impacts, when combined with the original direct spending, result in the **economic impact**. **Indirect spending** is spending by the destination's travel industry businesses on goods and services from local suppliers. **Induced spending** occurs when employees in the destination's travel industry and its suppliers spend their wages in the local economy. This chain of buying and selling among businesses and employees continues until the original direct spending "leaks out" of the local economy. The **economic multiplier** is calculated as total economic impact divided by direct spending.

**FAM (Familiarization) Tour** - A free or reduced-rate trip offered to travel professionals to acquaint them with what a destination, attraction, or supplier has to offer. FAMs should be considered a sales effort, more than just an educational trip for the travel trade.

**Itinerary (Suggested)** - A recommended schedule of visitor-oriented activities, usually including entertainment and recreation venues, retail stores and often highlighting unique, one-of-a-kind offerings. Itineraries are often themed: family, romantic, first-time visitor, etc.

**Visitor Spending** - (number of visitors) X (spending per person per day) X (length of stay).

**Hotel Lead** - When a group tour or independent tour program inquiry from the travel trade that includes a request for hotel rooms over a specific set/range of dates is forwarded by the CVB sales staff only to those hotels that meet the travel trade's criteria.

**Non-hotel Lead** - When an inquiry for a group tour or independent tour program not requiring hotel rooms from the travel trade over a specific set/range of dates is forwarded by the CVB sales staff only to those non-hotel tourism industry businesses that meet the travel trade's criteria.

**Booking from a Hotel Lead** - A booking confirmed in writing from an authorized agent (hotel, travel trade) or by documenting the tour/programs presence in the travel trade's distribution. Channels such as a brochure, website or special sales/marketing program. The booking must be the result of a CVB-generated lead. CVBs should include information on room nights, total visitors and associated visitor spending.

**Booking from a Non-hotel lead** - Booking confirmed in writing from an authorized agent (hotel, travel trade) or by documenting the tour/programs presence in the travel trade's distribution. Channels such as a brochure, website or special sales/marketing program. The booking must be the result of a CVB-generated lead. CVBs should include information on room nights, total visitors and associated visitor spending.
