May we take a moment of your time to say

Hello to you all and introduce ourselves to

those that don't know us. We are the Heartland Country Cloggers and have been performing since 1994.

We are a group of local dancers performing to traditional and contemporary clogging routines. Our performing season will start soon and we are now booking for this coming season. We have danced at many local events, such as: the Shippshewana May Fest., Elkhart County Fair, Nappanee Apple Festival, Middlebury Fall Festival, Topeka's 4th. Of July just to mention a few public places. We do private bookings for things such as: parties, RV Shows, Nursing Homes etc. We have also done things like the Elkhart New Year's Eve Fest, including a television performance to promote the Festival and have participated in the annual Elkhart County Fair Parade, for which we have won several 1st. place trophies.

We think you will find our group energetic and entertaining. Our performances last 45 – 60 minutes. If you or someone you know is having an event please keep us in mind for your entertainment needs. If you would like more information, please feel free to contact director Becky Hochstetler or assistant Maribeth Rhodes. We would be than happy to answer your questions.
