THE HUNCHBACK OF NOTRE DAME

Based on the Victor Hugo novel and songs from the Disney animated feature, comes a lushly scored retelling of Victor Hugo's epic story of love, acceptance and what it means to be a hero.

The musical begins as the bells of Notre Dame sound through the famed cathedral in fifteenth-century Paris. Quasimodo, the deformed bell-ringer who longs to be "Out There," observes all of Paris reveling in the Feast of Fools. Held captive by his devious caretaker, the archdeacon Dom Claude Frollo, he escapes for the day and joins the boisterous crowd, only to be treated cruelly by all but the beautiful gypsy, Esmeralda. Quasimodo isn't the only one captivated by her free spirit, though - the handsome Captain Phoebus and Frollo are equally enthralled. As the three vie for her attention, Frollo embarks on a mission to destroy the gypsies - and it's up to Quasimodo to save them all.

But her heart will only expand and grow to find that her calling is as vast as the beautiful Canadian frontier. Created for stage by Bethany Crawford with music & lyrics by Christy Stutzman, this world premiere can only be seen at The Round Barn Theatre and is certain to become a favorite for years to come!
