## ELKHART COUNTY COURTESIES ...

You’ll find the Amish in Northern Indiana to be friendly and talkative - at farm markets, special events and other places where they mingle with the English (that’s us). Please do respect their privacy as they go about day-to-day life, and keep these courtesies in mind:

- Don’t ask to photograph or film the Amish. It’s against their religious beliefs.
- Respect private property, but take some time to chat with Amish shop owners and artisans who welcome guests.
- Amish businesses are closed on Sundays.
- Keep a sharp eye out for buggies as you crest hills and round corners. Most buggy horses are car savvy and hard to spook. Even so, they might be startled into erratic behavior by high-beam headlights and honking horns.
