

DID YOU KNOW THAT 80% OF THE NATION'S RECREATIONAL VEHICLES (RVs) ARE MANUFACTURED IN ELKHART COUNTY?

You'll find everything RV here in the RV Capital of the World - from service, repairs, parts and accessories to dealers and campgrounds. We're also home to some of the nation's largest RV rallies. RV enthusiasts will enjoy touring local RV factories and visiting the RV/MH Heritage Museum. If you're in the market for an RV, more manufacturers are located here than anywhere else in the country. That means the best prices and the largest selection of RVs!

EXPLORE THE LINCOLN HIGHWAY BYWAY

Go back in time and enjoy a leisurely 30-mile day trip along the Lincoln Highway Byway through Elkhart County.

More than a century ago, Hoosier native and Indy 500 founder Carl Fisher conceived the idea of a coast-to-coast auto road, naming it in honor of Abraham Lincoln. This driving tour will provide insights into the intriguing history of Elkhart County's section of the historic Lincoln Highway as you pass through rural vistas and historic main streets. You will see first-hand how residents have embraced history by lovingly preserving original structures and carefully restoring buildings to their original use as well as creatively adapting and repurposing buildings for a new and unique concept.
