RV HALL OF FAME

The RV/MH Hall of Fame

Sometimes, a simple interest becomes more. It becomes a hobby, a calling, an obsession. That's how thousands of people across the country and around the world think of RVs. To them, RVs are more than just a way of getting away; they're a way of life. And like any other way of life, there's an inside story of the people who paved the way with innovations and new ideas.

To satisfy the curiosity of both the casual visitor and the RV obsessed, the RV/MH Hall of Fame in Elkhart includes numerous displays and exhibits that tell the complete RV story. At the on-site library, widely acknowledged as the world's top RV-related product and service resource, anything someone might want to know about RVs is easily accessible.

Points of Interest:

- The Hall of Fame includes antique RVs manufactured from 1913 to 1960.
- These vintage vehicles are displayed in a themed time-line setting.
