

~Our Story~

Water 2 Wine Family Entertainment is the dream of Hugh and Chelsi Warren from Pigeon Forge, Tennessee. Hugh and his wife Chelsi met in 2011 while performing together in Branson, Missouri.

They started Water 2 Wine Family Entertainment in 2015 with the goal of working together to create world class shows designed to be enjoyed by everyone regardless of age. It is their desire to feature the best performers, and for those performers to feel their genuine heartfelt appreciation.

Equally important is for everyone that experiences one of their shows to not only be incredibly entertained, but to also leave with the knowledge that the Warrens truly have a heart to share God's love with the world, and that regardless of who you are or where you've been, there is forgiveness and a purpose for your life that the Creator planned for you from the beginning!
