# TALES '49

York Community High School  
Elmhurst, Illinois

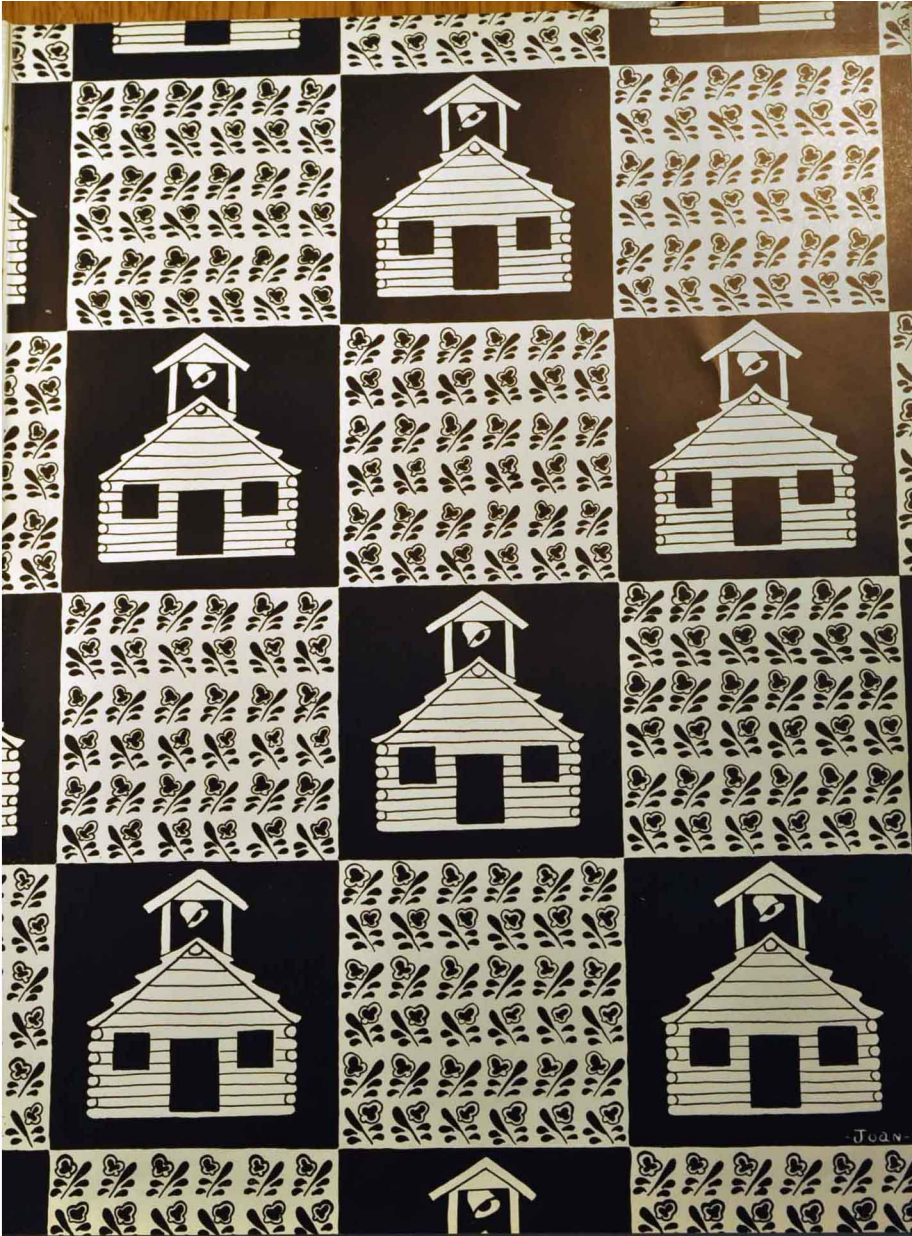

The days of the pioneers have not gone. As the pioneers of 1849 looked toward the gold fields of the west, so the pioneers of 1949, students of today, visualize great goals in the future. Their challenges are not those of the wilderness; they are the challenges of today—science, religion, and culture. Blessed with the greatest and most generously provided schools in the world, they must develop the physical and spiritual resources of the nation. Their goals are high, but yet attainable. The future years will acclaim their success.

To the realization and fulfillment of their visionary dreams, we dedicate this annual.

## *York Strikes a Bonanza in Tozier*

From the beginning of Dr. Roy B. Tozier's administration, he has done much in the improvement of the educational facilities at York. He was instrumental in the enlargement of the industrial arts department and the school cafeteria. The gymnasiums and the band room have been improved since Dr. Tozier's entrance. On his arrival from Rochester, Minnesota, he immediately recognized the need for an efficient personal guidance program. In 1947-48 the need was satisfied through the sincere and diligent efforts of our principal. With his able guidance the York Student Association came through the dark, burdensome stages of development. The association with its new constitution is now an efficient student government promoting a more co-operative understanding between students and the administration. With all these improvements and achievements to his credit, Dr. Tozier is pictured here with a bright keen eye to the future and further services which he might be able to perform for this already fine school.

## Board of Education

The board of education, elected by popular vote of the people of this district, have the responsibility of administering York and maintaining the high standards which have so long prevailed.

The board consists of Mr. C. A. Richards, President; Mrs. Paul A. Royer, Secretary; and three members, Mr. William C. Kane, Mr. E. W. Heimert, and Dr. Arthur G. Adams.

## Assistant Principal and Dean of Girls

Mr. Roy DeShane, Assistant Principal of York, is also the Dean of Boys. In addition to his year-round schedule, Mr. DeShane finds time to help with many of the activities at York.

Mrs. Bernice Anderson has been York's Dean of Girls for two years. She also finds time to sponsor the Girls' Club and help with their many activities.

"Hold it down," says President Bob Thoma—and the Student Council is on its way to do bigger and better things in the true spirit of '49ers. The lunch hour and what to do and where to be has always been a problem, but this year things have really gotten under control and run pretty smoothly, thanks to the Student Association.

Yes, everyone at York belongs to an organization—it is the Student Association of Y.C.H.S. The new constitution which the council and speech classes worked on so diligently was adopted in March.

As soon as York-Glenbard relations were severed, the councils of both schools met to discuss the problem and to find a solution.

This year York joined the Illinois Association of Student Councils. Delegates from the York council were sent to a convention of this association at the Congress Hotel, Chicago. Delegates brought back from this meeting worthwhile suggestions to be used next year in the association.

## *Class of '50 is Bound for Golden Opportunities*

Let's stop our "gold rush" for a minute and take a look at York's grandest nugget—the class of '50. The dynamic juniors are represented in nearly every activity on York's campus. Look anywhere from the basketball court to Room 239 seventh period, and you'll be sure to discover some juniors.

This year the class of '50 presented **My Sister Eileen**. The juniors are noted for their good athletes, talented actors and actresses, charming personalities, and zany deeds.

They have had their one year of FRESHness and their one year of SOPHistication, now they are upper classmen and raring to go. All thoughts are turned to what's ahead for them, and everyone can tell you that the juniors are headed in the right direction.

OFFICERS OF THE JUNIOR CLASS: Front Row: Audrey Fritz, Treasurer; Linda Reulman, Secretary; Back Row: Lowell Harris, President; and Ronald Phillips, Vice-President.

# Yes, They're Sophs! Proud, Pretty Big, and Very Busy

After a year of getting acquainted with the school, the Class of '51 has really started to roll up a record. If you take a look at their athletic achievements, the future looks bright for York if they keep up the good work.

The highlight of their year's activities was the Sophomore Play, the smashing courtroom melodrama, *The Night of January 16*.

Since they have passed from the freshman stage into a higher plane, the upper lowerclassmen have grown more sophisticated and intelligent. In two more years the sophomores should become one of the better classes to graduate from York.

## Nuggets of Knowledge Nestle in Neophytes' Noodles

The Class of '52 are freshmen now, but watch them go! During the past year they have worn off some of the much talked about greenness. Yes, the freshmen have become, in a manner of speaking, high-school students. Even so, the frosh have yet to go through the sophomore, junior, and finally the senior stages before they are genuine Yorkites.

This year's biggest gold mine was the "Bow and Arrow Ball," the annual dance they sponsor. They hope to have the makings of some championship teams among them. The freshmen view their future years at York with a gleam of hope in their eyes.

OFFICERS OF FRESHMAN CLASS: Bruce Johnson, President; Bob Golsieth, Treasurer; Dick Turchi, Vice-President; and Charmaine Smith, Secretary.

**LENORE MACPARTLAND**

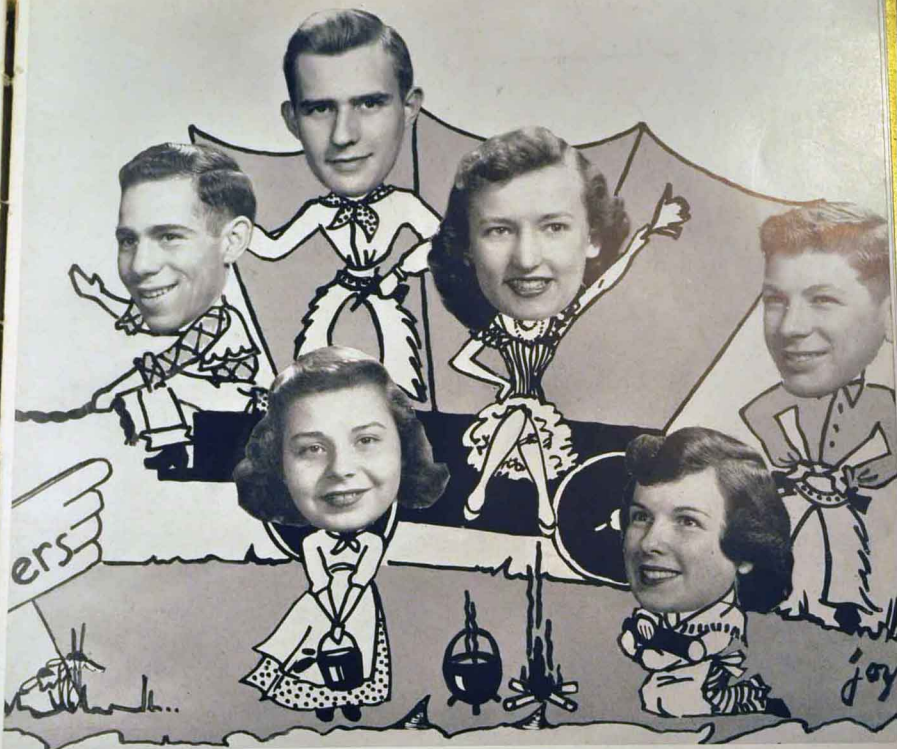

Heading the caravan of hardy pioneers are the outstanding members of the class of '49.

Dick Pederson, class president, is in the driver's seat of the stagecoach, just as he helped steer along the Dukes as halfback. Peter Teschner, on top of the coach, was an active participant in Debate Club as he backed up Dick as vice-president of the class. An N.H.S. member for two years and a **York-Hi** artist was class secretary Virginia Kurtz, waving from the window. The bow-legged cowboy is George Unverzagt, class treasurer, an active member of **York-Hi** for four years. Waving from the back window is Marjorie Green, who led the girls scholastically at the end of her seventh semester. Marjorie has served in Thespians for three years and N.H.S. for two years. Philip Schmidt, toting the pickaxe, was scholastic leader among the boys at midyear and a two-year N.H.S. member.

Norbert Kragel was a member of N.H.S., junior class president, and a star on the gridiron and the cindered track. Byron Kolling, shown drawing his trusty hoss pistol, had ability on the tennis court and the basketball floor which made him a popular figure throughout the school. Marcia McCall, the gal with the garter, has a natural ability for stage, screen, and radio, participating in all the class plays and receiving a four-year music pin.

The smiling cowboy is Bob Thoma, Student Council president and actor in numerous York productions. Carolyn Foster, a two-year N.H.S. member, Thespian, and artist, is the lady lugging the pail of water. Throwing another log on the fire is Kay Milnamow, D.A.R. citizenship winner, who is mixed up in more things than you could shake a stick at—band, Student Council, *Y's Tales*, Thespians, and such.

Westward ho!

This issue of *Y's Tales* brings you the golden memories of 1949. Through the efforts of the industrious staff workers, a bigger and better yearbook is ready for you, the students of York.

The staff was aided by Mr. Morgan, faculty director; Rex Bendigkeit, editor; and Jack Sorenson, head photographer. In the national competitions in which it was entered, *Y's Tales* has consistently won first-class honor rating. Judges in the competition have always praised the fine art work in the book, produced this year under Miss Johnson's direction by Joyce Ford, art editor, and her student staff.

Credit must also be given generously to Shirley Brockmann, business manager, and the business staff, who put in many an hour after school keeping track of the payments of some 1,200 purchasers and shaking the shekels from negligent ones.

Unless he is absent on picture-taking days, every student has his picture in the book at least once. The underclassmen have group and class-officer pictures, while the seniors have individual pictures. Sports and activities are also pictured, as are the faculty and administrative staff.

Everyone adds something to **Y's Tales**, even if it is just a smiling face in the back row of a freshman class picture. This is a book about you! . . . This is one thing you have added to York, which will be recorded and kept for years.

The **Y's Tales** staff is the instrument which gathers all your contributions together, and presents them to you, with trimmings, at the end of the year. The miner at the head of the trail shines his light into the darkness, to pick out any shining nuggets. These come, not only from '49ers themselves, but from the future classes of '50, '51, and '52. . . . We collect them and send them to the Morgan refinery in Room 239. There they are melted down, and the best are skimmed off the top.

We still have so much material that for months the staff heshes over what is left, cutting out, filling in, sorting. This process is one of the quickest ways to get gray hair. Our editor, Rex Bendigkeit, usually leaves the staff room when the halls are empty, and often trips sleepily over a bewildered janitor on his way out of the building.

Yes, it's a long, hard struggle, but with your help we have put the finishing touches on our masterpiece, and now present it to you — the **Y's Tales** of 1949.

## No Wide Open Spaces in Minds of N. H. S. Members

Every ambitious York student strives to become a member of National Honor Society. Membership in this organization is based on scholarship, leadership, and service. Eligible students and the faculty choose new N.H.S. members from among the top-ranking students in their sixth or eighth semester.

In previous years N.H.S. has sponsored the Football Dance, and one of the club's most successful activities has always been the annual Christmas Tea given for the faculty.

N.H.S. active members, those seniors who have been elected in their junior year, are asked to usher at all non-athletic school events. Of course, the high point in all the yearly activities of N.H.S. is the April Honor Assembly, at which new members are inducted into the society and receive their pins.

Miss Winn is the sponsor of N.H.S. for the first time this year and has performed her duties as guide and advisor admirably well.

It's no wonder that all conscientious students aspire from their freshman year to membership in National Honor Society.

# Quill and Scroll is Aim of All Aspiring Journalists

First Row: Miss Davis, Jane Kirk, and Barbara Collignon; Second Row: Joyce Ford, Donna Reineke, Mike Kelly, Alice Thomas, Janet Rowe, Marjorie Knop, and Marjorie Mathews; Third Row: Bruce Petcher, Wayne Woltman, and Dean Johnsons.

The Quill and Scroll is an international society for high school journalists. It is a highly honored society because admittance can be gained only through merit. Its chief purpose is to recognize those who have done special work in journalism.

The requirements for membership are superior work in writing, editing, and business managing. A candidate must be a junior or senior who is in the upper third of his class and who is on the *York-Hi* or *Y's Tales* staffs. Students elected from the *York-Hi* staff must have had forty-five inches of material printed in the newspaper. *Y's Tales* staff members are elected on the basis of hours of work, quality of performance, and ability to assume responsibility. Candidates must be recommended by the faculty advisor, Miss Davis, and be approved by the national secretary-treasurer.

Each year the club sponsors two publications parties, one for the initiation of new members and one for the members of the *York-Hi* and *Y's Tales* staffs.

Opportunities are offered for receiving awards for merits in many journalistic contests. In January of this year Joyce Ford was chosen as a national winner in an essay contest. Janet Rowe and Joyce Ford brought honor to York by winning the Honorable Mention award in the Quill and Scroll advertising contest, "Promote the United Nations." Deane Johnsons won first prize this year in an editorial contest.

An honor was bestowed upon the York-Hi when the George H. Gallup Award was presented last fall for the year 1947-48. It was for extraordinary improvement in the newspaper, exceptional service to the school, and sustained leadership maintained over a period of years. The newspaper's director, Miss Davis, together with student editor Lois Tornquist and over one hundred staff members worked diligently to give students a superior school newspaper. Wayne Woltman is this year's editor.

The York-Hi has had numerable firsts this year. The Christmas issue, largest ever published, was twenty pages thick.

The York-Hi presented James Eldridge in an assembly for the promotion of the U.N. They also co-sponsored a mock campaign assembly and election.

## *Governor Stevenson says "Howdy" to York Concert Band*

The Concert Band, under the excellent leadership and direction of Mr. Chopp, is quite a versatile organization. In addition to its regular study of concert and symphonic music, it supplies the marching band, the basketball band and the football band. The Concert Band provides music for many assemblies and presents three concerts: the Winter Concert, the Spring Concert, and the Mother's Day Concert. The football band surprised the spectators with several unusual antics on Lithgow Memorial Field.

The annual Winter Concert was presented on December 16, 1948. The selections were popular, classical, and modern. The highlights of the performance were Richard Strauss's "Die Fledermaus," Tchaikowsky's "Nutcracker Suite," and a selection from Bizet's "Carmen."

As this page is being written, the band is anxiously awaiting a tour to Springfield, Illinois, to play before the state's governor and legislature. The members will leave on three chartered buses on April 19 and return April 21. On the way down they will stop to play a concert at Kankakee High School. After playing before the legislative body at the capital they will visit Lincoln's home and spend a day sightseeing. On the way home they will play at Decatur High School and also at the Veterans' Hospital in Dwight.

The expenses of the tour are being underwritten by the Band Association, a new organization of band and orchestra parents. The cost will be partly defrayed by a benefit dance, Capital Capers. For pictures of the tour, see page 95.

Fourth hour is the time! Any day five times a week Mr. Harris, the director, reigns over York's A Cappella Choir.

The shining hope of all York's songbirds from the lowliest frosh to the loftiest senior is membership in the Senior Choir. No wonder, for the choir is one of the most active and inspiring organizations at York. During rehearsal the harmonious music of the choir is wafted through ye olde York corridors.

Besides the annual spring and fall concerts in which the other vocal organizations at York participate, the choir sings at other functions. Among the many occasions at which the choir exercises its vocal chords, the most memorable is the annual Christmas Assembly. At this assembly the choir sings its traditional processional,

Fluff and feathers and golden voices—that is York's Nonet. To be a member of this ensemble from the Senior Choir is an honor dreamed of by sophomore, junior and senior girls. This long hoped for honor is realized only after rigorous tryouts and a selection process. It is not all glory and no work, however, for only through practice will there ever be perfection. The girls sing at the concerts and for many special functions outside of school.

"Down in the valley, valley so lowoooo." That is our one and only Boys' Quartet, decorated in bow ties and silver vocal chords. A main feature at the concerts and each vocal assembly, the boys have always met with roaring applause.

# Sings Sends Yorkites at Christmas Program

The 1948-49 season was an outstanding one for the Junior Choir and the Treble Clef. They were both well received by the audience at the Fall Concert. The Junior Choir, a mixed group, sang "The Blind Ploughman," by Robert Clarke; and "A Birthday," by Raymond Woodman.

The program of the Treble Clef, a girls' a cappella chorus, included "Psalm 150," by Louis Lewandowski; "Winter Song," by Frederick Bullard; and "The Lost Chord," by Sir Arthur Sullivan.

This year the Treble Clef was invited to Washington School to sing for the P.T.A.

Ellis, and A. Daniels.

The Freshman and Sophomore Chorus are the first steps towards the Senior Choir. These two groups, along with the Senior Choir, are included in the annual Spring Contest.

Newest of all the chorus organizations at York, the Sophomore Girls' Chorus is made up of girls who are too numerous to be incorporated into the older choirs and much, much too old to be in the Freshman Chorus.

The Freshman Chorus is composed of a group of students who have expressed their desire to become a part of the choral groups of York. At the Fall Concert, November 12, the Freshman Chorus sang these numbers: "Serenade of the Bells," by Al Urbano; "Home On the Range," by David Guion; the beautiful "Prayer from Hansel and Gretel," by Englebert Humperdinck; and the favorite "Song of Love," arranged by Sigmund Romberg.

The Freshman Chorus is under the able direction of Mr. C. Eldon Harris. Mr. Chopp led the Sophomore Chorus during the first semester. The last semester the Chorus was under the leadership of Miss Meyer, student teacher from Elmhurst College.

"Service" is the motto of York's orchestra under the capable direction of Mr. Chopp. The orchestra has been advancing rapidly in the past few years, and this year it has entertained large audiences at the semi-annual band-orchestra concerts.

The orchestra meets five times a week, just as the band does. Members may earn awards, just as the members of the other musical organizations do. Letters are awarded on the basis of the number of performances participated in and general interest shown, while four-year pins are awarded to those who have served in the orchestra for four years.

Besides its semi-annual concerts, York's hard-working orchestra performs at several school assemblies and furnishes interlude music for each of the class plays and for the Thespians' Drama Night.

Do you like music? If you do, there's a place for you in Music Club. With Mr. Harris, head of York's music department as advisor, the club has grown into prominence since its beginning in 1938.

Besides sponsoring an annual dance (this year called "Melody Time"), Music Club members handle concessions at school functions, and this spring the club attended a production of the musical, "Finian's Rainbow." Vocal and instrumental music is featured as entertainment at the club's monthly meetings.

Music Club not only provides fun for its members, but also is educational and helpful in promoting a taste for good music. Its many activities and its help to York's music department are reasons why Music Club should not be overlooked by any student looking for a worth-while extra-curricular activity.

# Thespian Membership Marks Peak of Actors' Success

One of the most interesting and popular clubs at York is the Thespians—Troupe Number 94 of the national dramatic society.

Yearly "tryouts" for membership in the troupe are open to interested sophomores and juniors. A committee of members is elected who with Miss White, the sponsor of the chapter, selects from these aspirant candidates who serve an apprenticeship of one year. Upon accumulating enough merit hours by engaging in acting and production work, the apprentices are initiated into the club and receive their Thespian pins.

Made in the blue and gold colors of the club, these pins have a large letter "T" bounded on one side by the serious-faced mask depicting tragedy and on the other side by the smiling face symbolizing comedy.

Members of the stage crew are also eligible for membership after working on four productions.

Thespians is truly one of the most enjoyed and best appreciated organizations at York.

February brought the Ludi Romani (Roman Games) put on by the Freshman members of the Latin Club, featuring contests between classes. Some of these contests were javelin-throwing, gladiatorial combats, and chariot racing.

All students in Latin 10, 11, and 12 are eligible for membership. Freshmen with "A" averages in their first semester are initiated into the club. Co-sponsors of the Latin Club are Mrs. Larson and Miss Howe.

The many activities of the Latin Club began this year with a treasure hunt in Wilder Park. Next came the Mercurygram Booth, one of the most popular concessions at the Hallowe'en Party. In November the club members played Bingo.

The most magnificent event of all, the "Cena Romana," or the Roman Banquet, was held on December 2. The girls' gym was beautifully decorated with plants, statues, murals, and a fountain. Freshman boys, as humble slaves, could be seen serving the older members, who were dressed in the garb of the old Romans and crowned with wreaths to ward off intoxication. Entertainment was provided by the sophomore girls, enacting the candleling ceremony, and the freshman girls, performing the graceful dance of the water carriers, dressed in the costumes of the Roman maidens.

In January club members staggered to the early morning "Salutatis." After having conversed in Latin and presented the freshmen with their "Sportulas," they dashed to their first period classes. At the afternoon meeting Mr. Highbarger from Northwestern showed slides and talked on his trip to Greece.

With characteristic get up and go, York's German Club, under Miss Evjen, finances its activities by dues and selling at games. The diligent receive pins under a point system which evaluates service to the club.

After completing one semester of German, a student is able to join the club. Initiates stagger under the load of red bows eighteen inches across.

At Christmas these super-colossal cooks made their own mouth-watering, spicy Lebkuchen, Pfeffernuesse, and Springerles.

Entering the cafeteria, where the annual Kaffee Klatsch is held, is like opening the door on a miniature Germany, complete with the piercing blare of a bona fide German band. Hurrying by are mustached and haltered waiters; fair waitresses in flowered halters; bouncers; and a mascot—none other than a dachshund.

Strains of German songs issue from 139 at monthly meetings, where energetic members play bingo, crossword puzzles, and twenty questions—all in German!

The last meeting of the year is held in honor of the graduating senior members.

## Historical Society Treks Around Chicago

The York High School Historical Society, which was organized during the school year 1938-39, has become one of York's most popular and active clubs. Under the sponsorship of Mr. Zacharias, it brings to the attention of its members facts about the history and wonders of the United States which might not be brought out in regular classroom work.

One of the activities of this organization is to sponsor several assemblies during the year. In November it presented an Armistice Day Assembly; in February it presented a Lincoln and Washington Assembly; and in May it presented a Memorial Day Assembly.

The days which all the members eagerly look forward to are those on which the field trips are taken. This year the members journeyed to the Museum of Science and Industry, the Field Museum, the Cook County Court House, and the State Prison at Joliet.

Any senior who has completed one semester of American History is eligible, and juniors are eligible at the end of the first semester of American History. Pins are awarded to seniors who have fulfilled certain qualifications.

## Xmas Party is Spanish Club High Spot

The Spanish Club, sponsored by Mr. Michelsen, is the oldest student organization at York. Its purpose is to further interest in the Spanish language and Latin-American countries.

The membership in the club is restricted to Spanish students only. They must have one year of Spanish or have an "A" average for their first semester of Spanish.

The biggest event of the year is the Christmas Party observed in typical Spanish style. This includes the breaking of the piñata, a gaily decorated bag filled with candy, by a blindfolded member. When the bag is broken, the other members scramble to get their share.

TOP PHOTO: Amused Spanish Club members look on as Eleanor Frase breaks the piñata at the club's annual Christmas Party.

# Math Club Untangles Mathematical Mysteries of Old

Ever since Math Club was begun in 1945, it has kept its reputation as an active club at York. Under the guidance of its sponsor, Miss Heinemann, the club provides a good outlet for the talents of students who like mathematics.

The skill and ingenuity of Math Club members are challenged by the "Problem of the Month," and the student who has solved the most of these monthly problems is rewarded for his efforts with a prize at the end of the year.

On the club's varied schedule this year have been two picnics and a lively initiation of new members. Study of the slide rule, presentation of mathematical puzzles, and a talk on calculus have constituted some of the year's monthly meetings.

Students with at least a "B" average in one semester of plane geometry and a year of algebra and those who have completed a mathematics major are eligible for membership in Math Club.

"Please pass the ethylene dichloride," is a statement that could be heard at York's Science Club. The organization was formed to better the understanding of science for the members and to give them an opportunity to develop their individual interests. Anyone having an interest in science may join the club.

Members participate in the monthly meetings by giving informative talks to the group. At one meeting a talk on radio transmission was given, while at another meeting the students learned how to make synthetic rubber. They also enjoyed a lecture supplemented by a movie on atomic energy.

Besides actively participating in the Mardi Gras by showing a movie on atomic energy, the Science Club donated twenty-five dollars to the National Fund for Infantile Paralysis.

Mr. Simpson is their sponsor.

The Home Economics Club is open for membership to all who are taking home economics or who have had a year of the subject. The purpose of the organization is to help girls develop skills in sewing and culinary arts.

The program is started off right in the fall with a "get acquainted" picnic.

The York Home Economics Club calendar has had a full year of interesting events: business meetings, social meetings, and special programs.

The first special program of the year was held in November when the girls were entertained with a demonstration of yarn dolls. December came along with a big Christmas party that featured wonderful eats and exchanging of gifts. All the girls agreed that this was a wonderful party indeed.

A hay ride was on the agenda for February, followed by a huck towel-demonstration by Miss Kueck, one of the physical education instructors.

In April the girls honor their mothers with a tea which they plan and prepare themselves. Club pins are presented at the Mothers' Tea.

The club pins are earned on a point system. Points are given for regular attendance, serving on committees, selling at games, serving as officers, and doing miscellaneous work.

The club plans a farewell party in June to bring to a fitting climax a year of interacting and varied activities.

## *Girls' Club Sponsors Drive to Support French School*

A very active and popular club at York is the Girls' Club. Organized in the school year 1942-1943 by Mrs. Wall, it has grown tremendously and is now under the sponsorship of Mrs. Anderson.

This year the girls have been kept very busy sponsoring the Hal-low'e'en Dance and Bundle Day and making bows for Bow Week. A very worthwhile project which the club has undertaken is to sponsor a French school. From the contributions of the York students the club has been

The club has many interesting programs. Included in the programs this year was a talk by a social worker, a demonstration by a hair stylist, a panel discussion, and a box social to which the members invited their dads. An annual event for the girls is the Installation Tea. This year a new feature of the Girls' Club has been the organization of special interest groups, which meet at different times from the regular club meetings. Knitting, Chatter, Riding, and Bridge are the groups in which the girls can participate.

Girls in York are eligible to join the Girls' Club.

The club's fifth year has proved to be a very active one for the Junior Red Cross at York. Miss Hibbard, school nurse and sponsor, has guided the club toward bigger and better activities.

In the fall, a drive was started to fill gift boxes to be sent to European children. The boxes contained toys for the younger children and more useful articles for the older children. A part of the gift money received in the drive was used in purchasing Christmas gifts for the servicemen at Hines Hospital.

Visitors from the Chicago chapter of the Junior Red Cross were invited to York for an evening meeting. Dinner was served by the club members and the guests were taken to see the senior play.

The second annual Junior Red Cross dance, "Carnival Capers," was held at York on March 26th. The proceeds of the dance went to the under-privileged children.

During the Junior Red Cross week, the council sponsored an assembly at which a member of the Chicago chapter spoke. Movies were also shown during the week in the lunch hours.

This year the Lettermen's Club has had the most members since its beginning and has done the most work.

The "Y's Guys" worked with the Pep Club on the Bonfire preparations before the last Glenbard football game and had a hand in the election of the queen to preside over all.

The programs that you bought at all the home football games and at the Regional Basketball Tournament were printed and sold by the Lettermen.

The football team received some valuable aid from the movies taken by the Lettermen at the Argo, Hinsdale, and Riverside games. These films were shown at the meetings to the members of the team and club.

Also this year the Lettermen worked at the candy concession and had a sleigh ride that was enjoyed by all except Mr. Stefani, who chaperoned. He said it was too cold.

Again this year the "Y's Guys" plan to have a dance in the early part of May. If it is as successful as last year's dance, there should be a large crowd.

The York Round Table is a discussion and debate club open to all students interested in public speaking, debate, or discussion.

Last year the Debate Club was dissolved and its members formed the Round Table, for more informal debates.

The point system was revived. A member must earn thirty-one points before he is eligible to receive a pin. These points may be earned by participating in debates and discussions, by attending the meetings, and by selling at sports events.

The program includes four types of activities: panel discussions, round table discussions, formal debates, and extemporaneous speeches. Panel discussions teach the member to cover part of a subject thoroughly and to keep on that part. After a panel discussion comes a question period, during which the speaker must be able to answer any questions thrown at him by the audience.

Round table discussions are best liked for discussing serious matters. Everyone gets a chance to express his opinion and there are no rigid rules for the discussion.

Formal debates must be well prepared and all the rules of formal debating are closely followed. This teaches the members poise, control of their voices, and courteous argumentation.

Extemporaneous talks teach one to think on his feet as he talks. A member may be called to talk upon any subject whatsoever and to continue until the rest of the club thinks that he has exhausted the topic.

Topics for discussion and debate range all the way from the serious to the facetious: "What can we do about taxes in Illinois and in York Township?" or "Do zebras have black stripes on yellow or vice versa?"

Meetings are held twice a month with Mr. Maclear, the adviser. The programs of panel discussion, round table, formal debate, extemporaneous speaking, and business procedure are rotated so that all members will get what they want.

Round Table members have fun arguing even though sometimes it is just for the sake of arguing, while at the same time they learn the right way to discuss and how to get and present information fully in the shortest possible time.

## Commercial Club Discovers Gold in Business World

A new club was born to York in 1948. Rocked in the cradle of the Commercial Department it was named the Commercial Club. Those who have become members have found a new interest in the ever-broadening horizon of the business world. They have learned a great deal about business by listening to the speakers from the Katherine Gibb's School and the Gregg School at their monthly meetings.

The members had a lot of good old-fashioned fun in planning their varied activities.

At Christmas time there was a festive Christmas party with all the trimmings. The fun-loving members fairly burst the seams of the Girls' Auxiliary Gym with their games, bag bag, and mountains of refreshments.

Riding high on the crest of the tide of important activities was the Fourth Annual Business Students Conference at Northwestern University on February first. The officers and five of the members attended. At the conference York's representatives witnessed a style show and a show of office machinery at the Stevens Hotel. A high spot on the list was a panel discussion on the subject of how to get a job. Topping it off was a scrumptious lunch at Abbot Hall.

April, blossoming out in its Sunday best, came to the club with two enjoyable activities. These were the fashion show and Mothers' Tea.

Juniors and seniors who have completed one semester of work in the Commercial Department are eligible for membership.

## *Athletic Girls are "Roughing It" in Their '49 Spirit*

The Girls' Athletic Association is a state-wide organization familiar to most high school girls. Its main objective is to promote interest in athletics through knowledge and participation in sports. In the fall the most prominent sport is soccer which is closely followed by basketball and tumbling. During the winter the girls have volleyball, bowling, and badminton to choose from and as spring rolls around you can find a G.A.A. member involved in softball, tennis, or archery.

Other activities which are sponsored by the G.A.A. during the school year are: the Freshman Picnic in the fall, a pot luck supper, Streamer Day, decorating the Christmas tree, Playday, and the Mother-Daughter Tea in the Spring. New members are initiated at the pot luck supper and at the Mother-Daughter Tea new officers are installed and the G.A.A. awards, based on the girl's merit as judged by participation, sportsmanship, and scholarship, are presented.

# G. A. A. Gals Mine for Gold on Streamer Day

When a freshman girl has earned six hundred points, she receives the local award, and twelve hundred points earn a letter "Y" for the sophomore girls. Juniors with sixteen hundred points receive the State League Award, and the Senior who has two thousand points the State League Emblem.

Each year two girls are chosen to attend the Northern G.A.A. Camp at Conference Point on Lake Geneva, Wisconsin. The purpose of these camps is to promote better leadership for the G.A.A. Representative chosen must be a G.A.A. member in good standing, who has the permission of her parents, physician, the G.A.A. advisor, and the principal. This year La Rue Troup and Jean Mudra are the lucky girls who will represent York at the camp. Grace Sinibaldi has been chosen as an alternate in case one of the other girls is unable to attend.

Each spring a playday is held at one of several schools located in the surrounding communities. This year Bensenville, Franklin Park, Maywood (Proviso H.S.), and Oak Park came to York for a half day of fun and games. This playday enables girls from York to meet G.A.A. members from other schools. The girls play on mixed teams so that no one school competes against another school. After the activities were over, a luncheon was served.

## Pep Club Wins Victories With Vim, Vigor and Vitality

Who's the push behind the players? You've got it—the Pep Club. This energetic group, spurred on by York's cheerleaders, promotes school spirit. As anyone will tell you, they do a swell job.

Pep assemblies before all the big games have incited an enthusiastic school spirit at games.

The annual Bonfire before the Glenbard game involved too much, if that's possible, pep in those who attended, for Glenbard-York athletic relations were severed for an indefinite period after the Bonfire.

Members of the Pep Club have done all they can to help the cheerleaders. In fact their snappy new green and white satin uniforms were purchased by the Club this year.

March 12 was an important day for Pep Clubbers, basketball players, and everyone else who had dates for the Basket Ball Dance. Every year the Pep Club sponsors a dance to honor either the football or basketball teams. This year yellow streamers radiated from the center of the boys' gym to the side walls where huge daisies were "growing." The basketball centers of the flowers featured the names of the squad members. To add to the garden atmosphere was a wishing well.

Yes, 1949 was a successful year for Pep Club. To climax the season and to honor deserving members, pins were awarded. This is the goal of all club members and as they will tell you, it's a goal worth working for.

## '49ers Fight Rivals and Injuries

The Dukes opened the '48 season with high hopes. With seven returning lettermen, led by Co-captains Norbert Krægel and Dick Pedersen, and a good crop of Frosh-Soph players from last year, Coach Stefani seemed to think the Varsity would really be up near the top. But fate had different ideas. In the first game with Argo, a non-conference tilt, the Dukes were upset by a fast running, hard hitting team, 13 to 9. Next, they traveled to Elgin for a night game to come out on the short end of a 14 to 0 score.

Again playing away the Yorkmen met Riverside and came out on top by a score of 13 to 0 in their first Conference game. But this game was more a loss than a gain because in the third quarter, Co-captain Dick Pedersen, was injured. The injury proved to be a cracked vertebra in the neck and put Dick out for the rest of the season. Down at Hinsdale the Dukes met a fast, heavy team and bowed down to the tune of 19 to 6.

For their first home game the Dukes were matched with La Grange, the defending Champs, and were beaten 19 to 0.

With the first half of conference play finished, the Dukes met Leyden, a non-conference tilt, and lost 32 to 0.

## Stefani Steers Dukes Through a Tough Season

Resuming conference play York suffered their first loss to Glenbard in four years. Glenbard won by a one point margin, 7 to 6.

The boys from far up north in Des Plaines came down to meet York with that victory glint in their eyes. Maine was not to be denied, and York was again forced to yield 20 to 7. In the last game of the year at Downers Grove the Dukes were introduced to a fellow named Ralph Esposito, who proceeded to teach them the gentle art of football. With a little help from his teammates, he scored two touchdowns to win the game 13 to 6.

Although York's record does not show it the team played good ball all year. Some of the Seniors who played regularly in the line were: Herman Patz, the Palmer boys, Bob and Ken, Ken Meitz, Dick Stoltz, and Bob Pinnow. In the backfield were Norbert Kraegel, Dick Pedersen, Boyd MacKenzie, Fred Longnecker, and Howard Larson. Boys who will be back next year are: Ed Ross, Paul Luhrs, Jim Sykora, Ward Casper, John Ryan, Jim Krieter, and Jim Schweppe.

## Ferry Produces Third Winning Team in Three Years

After two seasons of Frosh-Soph football instead of the lightweights, there aren't too many York students who think the underclassmen don't do an excellent job. After last year's co-championship with La Grange, the "Little Dukes" came through this year with a record of seven wins and two defeats, landing second in the conference. Under the able coaching of Mr. Ferry, aided by Messrs. Meitz, Mahood, and Koch, the team learned a lot of football and had a lot of fun doing it.

The first two games, both away, were non-conference tilts with the "Little Dukes" winning one and losing one. East Aurora was a fine initiation to them, the underclassmen winning 13-7.

## Drop Rough Title Game with La Grange

Out at Elgin the team received one of its two defeats of the season losing 19 to 0. Opening the conference at Riverside the "Little Dukes" really showed their talent by winning 21 to 0. Lou Kostecki scored two of the tallies, one from scrimmage and the other on an intercepted pass.

Again traveling away from home the underclassmen met Hinsdale and made it two in a row with a 27 to 0 victory. Bud DeMoss ran wild against the "Imps," scoring all four of York's touchdowns.

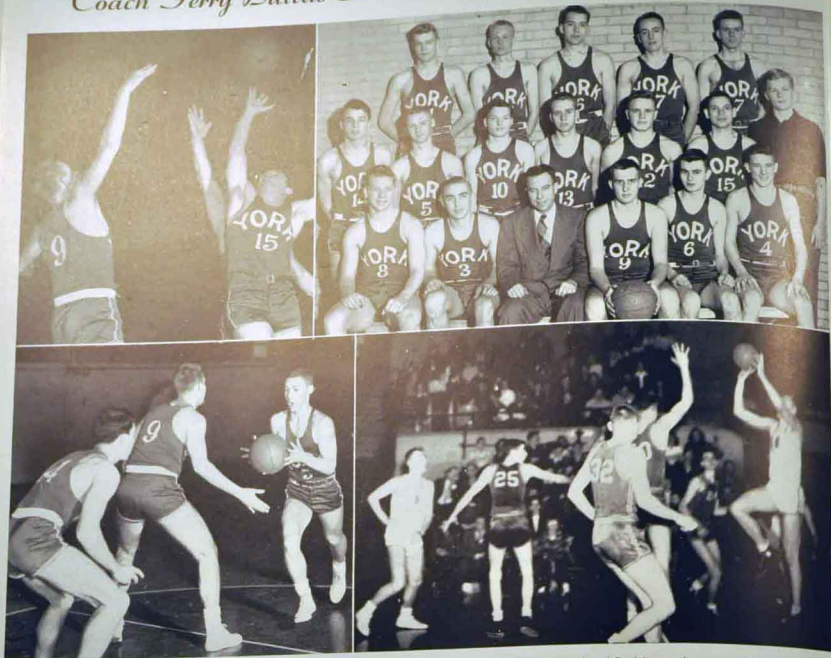

For their first home game "Ferry's Fellows" were matched with the tough La Grange squad. This game meant a lot to both teams as they tied for the championship in the '47 season. The game was close, but La Grange won out 12 to 7.

After the loss to La Grange the Frosh-Soph were never really in danger of defeat. In their last non-conference game, they defeated Leyden 27 to 0. Norm Regitz, guard, surprised everyone in the second quarter by catching a Leyden fumble and running 38 yards for a T.D.

The Glenbard game went much the same way with York coming out on top 19 to 0. Kostecki and DeMoss scored all the touchdowns. The "Little Dukes" won the game with Maine 12 to 0 for a record of keeping three teams in a row scoreless. For the last game of the season the underclassmen ran wild beating Downers 33 to 13.

# Coach Ferry Builds His Varsity Squad from Scratch

This year the York Varsity basketball team did not do too well. With only one returning letterman, Byron Kolling, who was hampered all season with a back injury, Coach Ferry had to start from scratch to build the team.

Coach Ferry decided to use juniors instead of training seniors, and so three underclassmen regularly hit the line-up.

In the first two games, both non-conference, the inexperienced Dukes lost to Oak Park 56-27 and to Proviso 48-30. In the first conference game, York met the future co-champions, Hinsdale, and was defeated 57-25.

Traveling to Riverside, the varsity lost 59-43, and then Downers Grove took a game 30-20. Again playing a non-conference game, the Dukes were routed 43-19 by Leyden. Playing La Grange, last year's champions, York lost 57-28.

## Dukes Find Going Tough All Season

The Dukes got their first win of the season over Maine in a hard-fought and close game, 44-40. With the knowledge that they had the power to win, the varsity settled down to play the second half of the conference with a vengeance, keeping most of the conference teams under ten-point wins.

The Red Devils from Hinsdale traveled to Elmhurst to win a tightly-fought game, 40-31.

Then a highly-rated team from Riverside came to York looking for an easy win, but the Dukes liked the idea of winning too, and went about it very efficiently, winning 40-39.

After two tries to get out to West Aurora on a stubborn bus, the Dukes finally lost to the state's third-place team 58-33.

The little boys from Downers were again able to set the York team back with a 34-21 victory. York lost again to La Grange 45-34, and then traveled to Niles to succumb 48-27.

In another non-conference tilt the Dukes lost to Blue Island 39-28. For the last regular game of the season York was guest of Maine, and the boys in blue were out for revenge, winning 49-34.

In the Regional Tournament at York, the Dukes were matched with Hinsdale in the first game. The Red Devils won a costly victory that night, 38-34. The game was costly to Hinsdale because they had to work so hard with York that they couldn't beat Downers in the finals.

Coach Ferry said that York's defense was excellent, but that the team failed to produce a point getter. With all the experienced juniors returning next year, York should have a much better team.

# Coach Cady Heads Gold Rush in Frosh-Soph Basketball

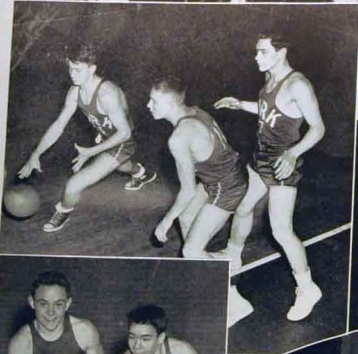

In the second season of big league basketball, under the able coaching of Mr. Cady, the Frosh-Soph did a little better than the varsity, winning four games.

The Little Dukes dropped the first two non-conference games to Oak Park and Proviso 31-20 and 32-11 respectively. Opening the conference, the underclassmen beat Hinsdale 37-30 and then lost to Riverside 49-25.

Playing with a much shorter team than most of their opponents, the Frosh-Soph fought uphill all season. Their next game was dropped to Downers, 25-16.

In a non-conference game with Leyden, York lost 35-30. At La Grange the Little Dukes were trampled 51-29.

## Little Dukes Make a Rough Trip to Gold Fields

To finish the first round in the conference, York played host to Maine and won the game by a slim margin of 35-34 in an overtime. The game ended in a 30-30 tie and went into overtime.

York again met Hinsdale and lost 37-34. Riverside was again able to trip up the Little Dukes to the tune of 37-27.

At West Aurora, the York team won again 32-29, outrunning the much taller boys. Downers was next on the list and beat York 36-28. Then the boys from La Grange again beat the underclassmen 52-24.

In the next game, York came out on top over Niles 25-17, but in the last two games they lost to Blue Island, 27-22, and Maine, 41-35.

All the boys on the Frosh-Soph team should make good future varsity material.

## York Harriers Climax Season with Trip to State Meet

York's cross country team, very commendably coached by Mr. Heinhorst, proved to be the school's best in all the years of competition. Led by Captain Denzler, they defeated all conference competitors. In the conference and district meets held at Glenbard, they made a clean sweep, taking first place in both events. The following week, they placed an outstanding third in state competition, with Coseglia, Denzler, and Moore finishing in the first twenty. They were followed by Reimer, Dickenson, Kain, and Haman.

With Coseglia, Reimer, Captain-elect Dickenson, and Haman returning, next year may also hold a bright future for the team; but they will have to go some to top this year's record.

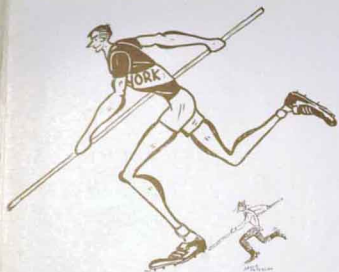

## Tennis and Golf Have Good Prospects for '49

With an overflow of talent, and ably coached by Mr. Kunze, York's netmen are looking forward to a successful season. There are seven returning lettermen led by George Larkin, who secured runner-up spots in both the District and Conference tournaments. The netmen were hindered by Kolling's illness, but this year they will bear full strength. Along with Larkin and Kolling will be Johnson, Maxon, Ritter, Bowman, and Davidson. Tierney and Jacobs are also promising players.

York's link men, under the direction of Coach Pratt, face what may prove to be a very successful season this year. Paced by lettermen Thon, Barthelmy, and Richards, and supported by Unversagt and Swanson, they should place well up in the standings. York finished 5th in the district and 3rd in the conference last year and is predicted to finish higher this year.

## Eastmen Look for Rich Season

Last year York had an off season in track, finishing last in the conference. With only seven seniors out for spring track, a lot of the work fell to juniors, sophomores, and freshmen. The Frosh-Soph exactly reversed positions with the varsity, winning its conference.

Joe Turyna was one of the seniors who really helped the team. Placing in the district meet, Joe went downstate to take fifth in the discus throw. He also got some of York's few points in the conference meet.

Another steady winner was Captain Ken Anderson, a sprint man, who was a regular point getter.

This year with a lot of experienced boys, the track team should do much better with the aid of the juniors up from the Frosh-Soph.

# Track is Gold Mine for many Talented Underclassmen

In the track events Coach East has many good prospects. Captain Huber Moore leads the distance runners, John Coseglia, John Reimer, Don Denzler, Howard Larson, and Roy Kain.

In the sprints many sophomores will be called on to do some of the work. Lou Kostecki, Bud DeMoss, Tom Patterson, and Jack Hercher will do well for the underclassmen. Other sprinters are Herb Longnecker, Ken Meitz, and Bill Toerpe.

The high and low hurdles will be handled by two long-legged boys, Frank Petricek and Ken Meitz.

The team is again coached by Mr. East and Mr. Stefani. In all things look forward to a better season than last.

## Repeat as Conference Champs?

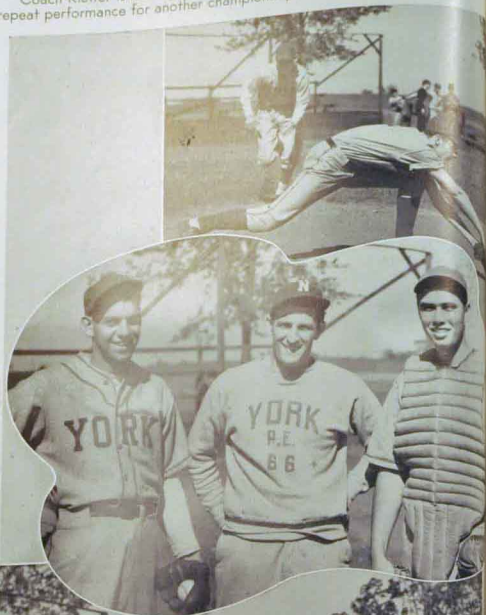

Last year the baseball team, coached by Mr. Kieffer, won the conference and had a record of eight wins, two ties, and three losses.

With an experienced pitching staff York was able to beat Downers, Hinsdale, and Glenbard in both encounters with each team. La Grange and Maine split even, York winning one and losing one. Riverside and the Dukes were really well matched tying both games. In the District meet York lost a heartbreaker 2 to 1 to Proviso.

Coach Kieffer is looking forward to another top season and maybe a repeat performance for another championship.
