VILLA PARK, ILLINOIS

A year at York is a record of achievement. York's aims are high. York's results are enviable.

Here a student is provided experience and training so that he may become all he is capable of being, so that he may be prepared to accept the challenge of tomorrow.

It is to this pursuit of excellence that we dedicate this book and commend those who have won high recognition for themselves and York.

High achievement records are found in many areas of York's program: in the high percentage of seniors awarded scholarships, in York's yearly ranking in National Merit Scholarship competition, in the science fairs, on the athletic field, in the language contests. Certainly one all-important center of achievement is our varied auditorium presentations. York's music and dramatic departments have long been known for the high quality of programs offered. We hope that pictures such as these will recall warm memories of individual and group accomplishment—the excitement astir before the opening curtain, the pride of a good performance after weeks of hard work and rehearsals. With these pages we salute those responsible for it all—directors, musicians, drama students, stage crews—all an important part of York.

Seniors Class of 1961

The 1961 *Y's Tales*, with its emphasis upon performance and achievement, properly opens with the Class of 1961. These graduating seniors represent many accomplishments made during the past four years which have offered them a firm foundation for a good life. York is proud of them, and well might they be proud of York!

Senior Class Officers: Dave Herzberg, President; Don Snow, Vice President; Sally Shipman, Secretary; Carl Manning, Treasurer.

On the basis of a nationwide examination given to more than 550,000 high school seniors by the National Merit Scholarship Foundation, York had thirteen seniors named National Merit Scholarship Finalists. This, indeed, is achievement of the highest kind!

These You Named Outstanding Seniors

In a York graduating class of any year there are, of course, far more than ten outstanding seniors. In their four short years at York many students gain through achievement and service the stature and rank of an outstanding member of their class.

So these are but ten who have been chosen by vote of their own class as outstanding seniors deserving special recognition. Their class has chosen well, for these ten are truly representative of the high calibre citizen we have come to expect from York.

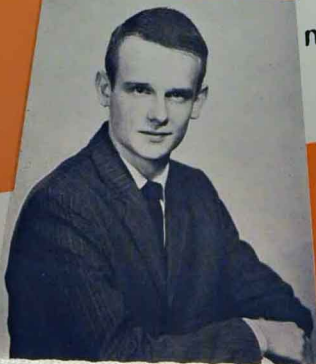

These ten have made significant achievement records in many areas, including scholarship, extracurricular activities, student government, and athletics.

Two Comprehensive High Schools Serve District 88

York Community High School, Elmhurst, Illinois

Willowbrook Community High School, Villa Park, Illinois

With the awareness of the many problems facing our expanding school district, the Board of Education has been challenged to provide imaginative leadership. A two-school operation demands much time and effort of these busy citizens. It is a dedicated group who will take upon themselves such a responsibility.

Board of Education for District 88: Mr. John Holbrook; Mr. Maurice Galbraith, Vice-President; Mr. Mills L. Hersey; Mr. Joseph Sheehan; Mrs. Esther Rhode, Secretary; Mr. Selwyn Edwards; Mr. Robert Smith, President.

Problems of Growth and Expansion Face District 88

Increasing enrollments, expanding curriculum, and ever-rising costs of education make the office of the superintendent no bed of roses. To direct two top-rate high schools in the face of such challenges requires that he be a diplomat, a politician, and a magician as well as a school man.

Dr. Hal O. Hall served as Superintendent of District 88 from 1957 until his resignation in March of this year.

Administrative Council Sets School Policy

Department Chairmen, Deans, and Administrative Assistants comprise the Administrative Council. An advisory body to the principal, the council is the policy maker for the school. Meetings of the council are scheduled for each Monday, at which time various topics and problems relating to the running of the school are discussed.

Dr. Allingham meets with Administrative Staff

Mr. Raymond Hosteland, Administrative Assistant
Mr. Walter Knudson, Administrative Assistant
Mr. Kevin Corry, Assistant Dean of Boys

Mr. Bert Michelsen, Administrative Assistant
Miss Beatrice Krantz, Dean of Girls
Mr. William Mueller, Dean of Boys
Miss Irene Winn, Assistant Dean of Girls

Leadership is Key to Successful School

The strength of any good school is measured to a large degree by those who lead in its operation. High-ranking schools have devoted administrators who believe in the pursuit of excellence and who take justifiable pride in accomplishments of their schools. Such is Dr. R. Bruce Allingham, Principal of York Community High School. A competent leader, Dr. Allingham exhibits a congenial interest in the welfare of every student at York. His leadership is characterized by an insight into school problems and an active participation in every facet of school activity.

An important part of the role of principal is meeting with students and with faculty members. Here is pictured a common scene in Dr. Allingham's office—a conference with a student group.

These Were Among Those Who Won Recognition

As each school year at York draws to a close, many of its students are singled out for awards and honors. Press deadlines prevent our being able to include all of these. By mid-March the students pictured here had been given special recognition. We salute these and all others who at York brought honor to themselves and to their school.

Chosen by faculty vote, a senior must rank in the upper ten percent of his class; a junior, in the upper five percent.

Thespians Honor Achievement In Dramatics

York's Thespians group is one of the more than two thousand chapters affiliated with the National Thespians organization honoring achievement in the dramatic arts. Membership is earned by students who prove themselves to be genuinely interested in dramatics by working a minimum of one hundred hours in one of the areas of dramatics. Two formal initiations are held during the year to admit new members. One such event is pictured on this page, the Winter Initiation Banquet.

In addition to a heavy schedule of dramatic productions, the program of the group includes attendance at conventions, conferences, and clinics. Mrs. Margaret Meyer is the faculty sponsor for the group.

1960 Homecoming A Weekend Of Activity

A Japanese and Irish Festival was the theme of the 1960 Homecoming in honor of our two exchange students, Jean and Ako. Sponsored and directed by the Student Council, the festivities began on Friday, October 28, with the Pep Rally, at which time the Kings and Queens were announced. A variety show of over twenty acts was presented to a full house at Stunt Night. Saturday morning featured York's finest Homecoming Parade, which carried the Japanese theme. East Field was the scene of the afternoon trouncing of Riverside-Brookfield by York's Dukes. "Moonlight in Killarney," the Homecoming Dance, climaxed the gala weekend.

Part of the Student Council organization, the American Field Service Committee has been set up to co-ordinate the many phases of the AFS program at York. It serves as a go-between in relations with the community, visiting important fund-raising activities is given over to the group.

The committee also reviews applications for the American Abroad program and selects four York students to be considered for appointment by the York office. York's Student Council appropriates \$550.00 for this program. In June the AFS bus-stop is held at York under the direction of the Committee.

"Never the twain shall meet" wrote the poet; however York's two international exchange students belie this. From Hiroshima, Japan, came Aisuko, and from Belfast, Ireland, Jeannie Ledlie. "Ako," as she is known to Yorkites, was a member of the Student Council and the AFS Committee. She worked on the York Hi and was very active in York's Homecoming festivities. Jeannie was, among other things, a member of the Senior Choir, on the G.A.A. tennis team, and had a role in *Harvey*. They were two charming young ladies, a credit to their families and to their countries. We at York will miss them!

Scriblerus Encourages Literary Achievement

In its second year at York, Scriblerus is proving to be a most successful group. Serious-minded students meet once a month to have their original literary compositions read and evaluated. Each composition submitted is analyzed carefully by the other members.

The purpose of the club is to create an interest in good creative writing. To do this, the group devotes itself to the study of both classical and contemporary writers.

"... Oh, When the saints go marching in;

of Governor's Trophy

York's Concert and Marching Bands have been piling up honors and top ratings for many years. Recognized throughout the state and the Midwestern Conference as a Class A organization, the York Band surprised no one when it returned from Springfield with the Governor's Trophy, won in competition at the State Fair.

Two major concerts were scheduled for the busy group this year as well as its performance in the Music Department's annual Christmas program. In addition to this, the marching band presented half-time shows for all home football games. The student directed Pep Bands are a feature at all home basketball games. Parades, rallies and student assemblies round out a busy schedule.

Truly a proud tradition at York, the band can point to an enviable record of accomplishment.

For Future Achievement

Mr. LaVerne Reimer,
York's Director of Bands

The excellence of York's band is due in no small measure to the training program offered by the Cadet Band. Here students receive experience and instruction which prepare them for important service with the Marching and Concert Bands. Although essentially a training band, the Cadet Band has appeared in student rallies and stunt shows. The Cadet Band is given a featured spot in the Spring Concert. They will be the leaders in York's music program in the next two or three years.

York's concert orchestra and the various ensemble groups made from its membership have become first class organizations in the Music Department. In state competition it received a first class rating and contributed toward York's winning the Sweepstakes Trophy.

In the recent past, the orchestra was something of a stepchild in the school. Thanks to the present Music Department organization, and especially to the work of Director Leo Pondelick, the orchestra is a major organization, rightfully recognized for its excellence.

Indication of recognition beyond the school district came when York's Orchestra was invited in the fall to play for the National Convention of Music Educators in Chicago.

Ensemble Groups Popular Performers

Mr. Pondelick at Work

York's orchestra is actually three groups in one. First, there is the Concert Orchestra. A second group is the Dinner Ensemble, which works in a service capacity, performing at dinners held at York, at teas and other social events.

The String Ensemble is a major group, called upon frequently to appear in various community programs. The String Ensemble also presents a full evening concert during the winter.

These groups are all under the direction of Mr. Leo Pondelick.

Senior A Cappella Choir

The A Cappella Choir at York has long been recognized for its superior work. Its membership, largely made up of seniors, is based upon selection. The choir makes several public appearances during the year both at school and in the community. No less than three concerts are planned for the group in addition to its state contest competition. For the past three years the choir has received top rating in state competition and last year it contributed to York's Music Department's winning the Sweepstakes Trophy in state competition. A highlight of the choir's 1960-61 program was its appearance by invitation at the Midwest Choral Directors' Convention in Chicago. The choir is under the direction of Mr. Jack Witmer.

Valuable Training For Many In Drama Department

York's Drama Department has long been recognized for the high quality of work presented by it. Its wide range of activities offers opportunities for hundreds of York students to utilize and develop talents in many areas. Not only does it give an outlet for artistic and dramatic abilities, but it also provides valuable experience and training roles of leadership and responsibility.

Mrs. Margaret G. Meyer is Director of the Drama Department, and Mr. Robert Helland is Technical Director and Assistant Dramatic Director.

York's Drama Department offered a bill of five plays this year, plays ranging from whimsical *Harvey* to the heavy drama of *All My Sons* and *Inherit the Wind*. *Dial 'M' for Murder* brought suspense and intrigue to the York stage, and the classic of World War II Navy life, *Mister Roberts*, provided comedy at its best.

On the opposite page at the left are pictures of scenes from *Harvey*, directed by Mrs. Margaret Meyer. Mr. Robert Helland directed *Dial 'M' for Murder*, from which scenes appear on the right of the opposite page.

Pictured below are tense scenes from *All My Sons*, also directed by Mr. Helland.

The pictures at the right recall some boisterous scenes from *Mister Roberts*. This play was produced under the direction of Mrs. Meyer, as was last year's production of *The Diary of Anne Frank*, pictured above. Her May production of *Inherit the Wind* came too late to have pictures in this year's book.

Spanish Club Inducts New Members

One of York's oldest organizations and one of its most active groups, the Spanish Club seeks to make the Good Neighbor policy a real thing. Its varied programs and study groups acquaint the students with Latin-American culture.

The club's many activities includes a trip to a Mexican restaurant and the spring picnic. Perhaps the gayest part of its program is the annual Christmas party with the traditional breaking of the pinata as pictured in the top picture on this page.

The other pictures show the winter initiation of new members.

Forensics Hold Strong Place At York

York's Margaret Gisborne and Laurance Wallace were two debaters from 32 schools chosen from four states to debate on CBS television. Here they are as they were pictured in the study—the same studio, incidentally, used by President Kennedy and former Vice President Nixon for their Chicago debate.

Armed with facts and data based on weeks of study, York's debate groups debated the topic, "Resolved: The United Nations should be significantly strengthened," across northern Illinois. According to the sponsors, Mr. James Nolan and Miss Jean Youngs, the squad's spirit was never higher. Its almost daily sessions after school offered plenty of opportunity for students interested in debate, panel discussions, and individual forensic work.

Radio Club Emphasizes Electronics Age

Provided with a 100 watt transmitter in the electronics laboratory, Radio Club members reach fellow "hams" all over the world. At their sessions the boys exchange ideas and learn to build and operate sets of their own. Since many of the members have transmitters and receivers in their homes, club meetings frequently are held there.

This is an organization with its aims on the present and the future. Mr. Richard Davis is the faculty sponsor of the group.

Jazz Club Explores American Music

A newcomer to York's organizations, the Jazz Club was organized by a group of jazz enthusiasts under the direction of Mr. David Beuter. With the present interest in hi-fi, the growing number of true jazz groups making an appearance, the club was not long in building its membership. Jazz hounds are a serious lot, actually, as devoted to their brand of music as the lovers of the symphony are to theirs. The club's meetings are largely given over to the study of traditional jazz, its development and growth. The year's program included plans for visits to several of the prominent jazz rooms in the Chicago area where today's foremost jazz exponents appear in person.

Camera Club Achieves Artistry in Photography

The main intention of the York Camera Club has been to teach the basic rudiments of photography. Those who are interested in the art of photography are instructed in the procedures of development of film and the use of enlargers. Interesting topics are discussed, such as lighting techniques and proper film developing combinations.

Though novices might think photography is simply a matter of twisting dials and pushing buttons, Camera Club members have learned that photography is a true art. Many years are needed for a person to develop the artistic sense of a fine photographer.

High Achievements Bring Smiles of Victory

Catcher Charles Adams with a smile that needs no explanation!

It was a happy crowd that welcomed the State Champs! Coach Ellingson was the proudest and happiest of all—and no wonder. His varsity team, sparked by some eager sophomores, had chalked up York's first state championship in many years. In winning the title, the Dukes batted .303 while limiting all opponents to an average of .210. Pitchers Leppla, Newell, and Alusic each won one game and limited their opponents to eight runs and a total of 16 hits.

Ray Medema—All-tournament short-stop.

We did it!

Wayne Strauch, one of the "eager sophomores" scored two runs, hit one of the two homers against Feithans in opener.

York Dukes Take State Championship Title

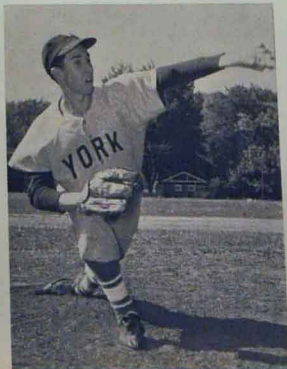

Achievement and honor came to York's 1960 baseball team when they became the State Champions. It was an unheralded and unrated team that climaxed a mediocre conference play by catching fire in the state championship series. The 4-10 West Suburban Conference record was forgotten when the Dukes in their first trip to the state finals in Peoria defeated Feishans of Springfield, Lane of Chicago, and Waukegan for the state title.

Barons Contribute Substantially To State Title

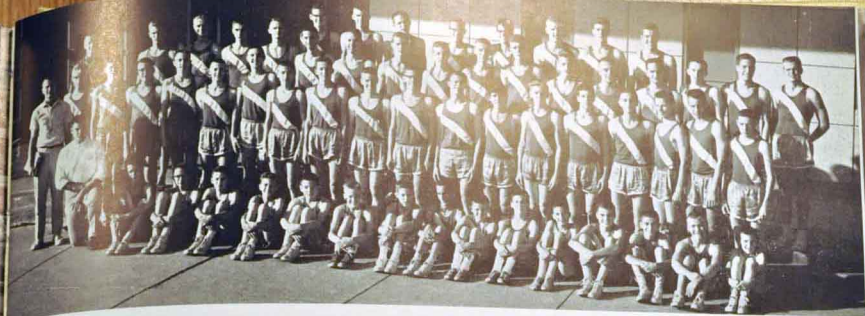

Caught off base

The 1960 Frosh-Soph baseball team in conference play chalked up a record of seven wins, five losses, and two ties. The overall tally: 7-7-2. In the first half of the season, the Barons won four, lost one, and tied two. At this point, regulars Al Malecha, Ken Leppla, and Dave Smith were called up to the varsity team, where they went on to make a substantial contribution to the winning of the state championship. Inexperienced freshmen filled in, and after losing six straight, closed fast by beating Hinsdale twice and Glenbard to round out a 500 season.

The over-all record 4 wins and 3 losses to place fifth in conference competition does not tell the whole story of the quality of work done by the Cross Country team. Six members of the team ran the York course under ten minutes whereas only one had been able to do so before. Fred Logan set a new record of 9:32 for the 1.9 mile. Captain Randy Jacobs also beat the old record of 9:44 with a 9:41. It was a year of good runners in all meets. Mr. Joe Newton is coach of the Cross Country team.

Football on the Upswing at York

By placing fifth in the West Suburban Conference, the 1960 York Dukes may have begun the long road up from the cellar positions in conference play. It was the best showing made by the Dukes since 1953. Further brightening the football picture at York, the Dukes can look forward to the return of thirteen lettermen next year. Included in this group of experienced players is Wayne Strauch, who was named All-Conference Half Back. Strauch scored 54 of the 137 points scored by the Dukes. Dave Herzberg was second, with 48 points.

Spirited Underclassmen Brighten Gridiron Hopes

Giving us another sign of a brighter future for football at York, the Frosh-Sophs ended conference play tied for second place with Riverside-Brookfield. Not since 1947 had we done as well. It was a spirited team with good team size and good balance. Ron Guenther was outstanding as a lineman.

With an initial 84 boys reporting for the Frosh football

Squad ended the season with three wins, two losses, and two ties. "A" Squad did not do so well; they won one and lost six.

Honorary Co-captains were Frank Belletire and Darrell Moos. Voted most valuable players by their teammates were Maurice Kennedy and Bill Psaltis. Jim Hudson was selected by the coaches as the most improved player.

After a series of wins early in the season, the York Dukes settled for third place in conference competition. It was a season which saw some powerful opposition in the conference, a season in which third place ranking speaks well for the team. York won all of its non-conference games quite handily. In the DeKalb Christmas Holiday Tourney, the Dukes won their first game with Dixon, only to be beaten by Sycamore by a score of 70 to 67. The Dukes were rather favored to win the Willowbrook Regional Tournament in March and did go into the finals with wins over Lake Park and Glenbard. Wheaton cut their chances to play in the sectionals when they beat the Dukes 81 to 58.

Captain Charles Adams and Bob Rudolph were selected as All-Conference players. Junior Don Anderman was named by Coach Haselton as the most improved player of the year.

York's gymnastic team brought home the year's second state championship trophy. They were crowned the State Champions at the Illinois State Gymnastics Meet at New Trier.

The championship came on the heels of a highly successful season for the Dukes. In the regular season competition York finished with a record of 10 wins, one tie and one loss. In addition to this, the Dukes won the Northern Illinois Invitational Meet at Hinsdale in competition with twenty-eight schools.

Thirty-five schools, represented by 280 participants, were in competition at the state meet.

Gailis And Fontana Best In State

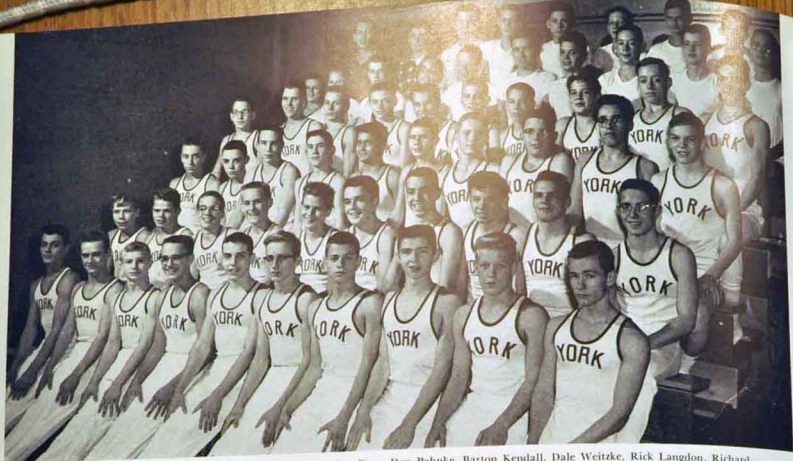

Championships are won by teams and teamwork. Individuals, however, frequently as individuals contribute so substantially as to make the difference between wins and losses. Such a performer is Glenn Gailis, who turned in the high scoring record at the state meet of 45 points. He was named first in the state in all-around gymnastic performance, first in the state on the parallel bars, second on the horizontal bar, third on the rings, and fifth on the side horse.

Jerry Fontana took first in the state on the horizontal bar. He was named 12th out of the 280 in all-around performance. A junior, Jerry, will be back to defend his championship title.

Above are pictured the point scorers in the state meet. Ron Szerlong accounted for seven of the winning points and was named fifth in all-around performance. Tom Beamish took fifth in tumbling, and Lee Clark placed fifth on the horizontal bar. Junior Ray LaFrancis' tenth place in rebound tumbling accounted for one point.

York's Champs Set Pace For Frosh-Sophs

York's future success in gymnastics appears good what with the return of some six or seven of the present varsity team. A large and enthusiastic frosh-soph squad further enhances the Dukes' hope for another winning season. Indeed, they have quite a high goal at which to aim and a championship reputation to maintain.

1960 Tennis Team Had Tough Season

The district meet, a prelude to the state finals, afforded the only joy to the young tennis team last spring. York advanced Dave Ackerman and Bob Shinfug to the quarter-finals and Jack Eliason and Lewis Hancock to the semi-finals. This gave the Dukes a second in the meet. Otherwise it was a bleak season which found York in eighth place in conference play.

One bright spot in the season was York's winning the Willowbrook Quadrangular meet. Bruce Hector was chosen captain of the squad. Mr. Lee Wachenheim is the varsity coach.

The Barons did better in competition, winning eleven meets and losing five. In conference rating, the Barons ended with a third place tie with Downers Grove. Some outstanding individual records were John Wallace's 14-2, John Cisar's 13-1, and Steve Rhode's 14-2. Wallace and Cisar were elected co-captains, and Rhode was named most valuable. York's track team placed fourth in conference competition, second in the County Meet, and fourth in the District. The Dukes took a second place trophy in both the Naperville and Palatine Relays, a third in the Rockford Relays. Varsity high jumper Wayne Gianneschi set a new East Field record of 6'2", while Jim Elliott with a 14.8 on the high hurdles and 19.6 on the low hurdles, set two new school records. Mike Psaltis' shot put toss of 54'6" promises to put him in line for state competition this year.

The Frosh-Soph team was undefeated in dual meets during the season and took the West Suburban Conference title.
