ELMHURST NOW & THEN

ON VIEW  
JANUARY 17  
THROUGH  
FEBRUARY 23

FREE  
ADMISSION

## *In Focus: Elmhurst, Illinois*

For a limited time only, experience the Elmhurst History Museum's latest original exhibition, *Snapshots: Elmhurst Now & Then*.

Through February 23, the exhibit will showcase digitally enhanced photographs of iconic Elmhurst buildings, street views, parks, and transportation routes using images from the museum's permanent archives. These historical images will be paired with their contemporary counterparts, allowing you to observe the evolution of our hometown's history through changing architecture, transportation, green spaces, population growth, and more.
