

Ely Family Dental Dental Assistant

Ely Family Dental is a growing dental practice seeking a highly motivated professional who enjoys multi-tasking in a healthcare environment as a Dental Assistant. Duties include assisting the dentist during procedures and providing exemplary care to patients. **Previous dental experience is desirable, but not required**; an aptitude for learning, positive attitude, and strong work ethic are our priorities. On the job training will be provided.

Duties:

- Assist the dentist during patient treatments and general procedures
- Provide patients with care instructions after each procedure
- Educate patients on how to obtain and maintain oral health
- Operatory set up and breakdown
- Prepare and sterilize instruments, equipment, and manage infection control
- Take impressions and other related laboratory work
- Perform and complete additional office tasks as needed

Benefits:

- Fridays off or optional half-days on Fridays
- Competitive hourly rate
- Dental coverage, PTO, retirement investment, and more
- Continued education assistance
- Hiring now, will consider prospective graduates with prospective licensure

This full-time position offers great benefits and competitive compensation. Now is the time to embark on a new career! Please email your resume to cchoppdentistry@gmail.com.
