ERIC SHERMAN IMAGES

Professional photographer Eric Sherman has spent nearly his entire life exploring the backroads of Northeastern Minnesota.

Over the years, Eric has photographed moose, bear, wolves, owls and much more in their natural habitats. Now, as a licensed guide, he is giving you and your families a chance to travel along with him and have your own adventures in Superior National Forest.

© Eric Sherman Images

These day trips are about 10 hours in length and are suitable for all physical abilities. Eric Sherman Images Wildlife Adventures are more than just a trip through the forest. Participants will travel nearly 200 miles of the finest back-

roads Superior National Forest has to offer while searching for wildlife, viewing breathtaking landscapes, playing wildlife bingo, and learning about the history of the Superior National Forest and the landmarks within it.

RATES: \$175 Per Person
