

# Operation Blueberry 2021

## Operation Blueberry

Our business community started a new tradition in 2020. With the cancellation of the Blueberry/Art Festival in 2020, we opted to try something new and exciting. Operation Blueberry was so successful we are doing it again this year.

Operation Blueberry starts July 16 and runs through July 25, which is the Blueberry/Art Festival weekend. We invite you to check out participating businesses. They have created banners or window displays and are competing for some great prizes. Each business has created their own event, which may include discounts, special products, or music – they are going completely blueberries!

A full listing of participating businesses and organizations is on the back of this map. *Please note some events & specials are one- or two-day events.*

We invite you to attend our Blueberry/Art Festival July 23-25 in beautiful Whiteside Park. Event details available at: [Ely.org](http://Ely.org) or [@BlueberryArtFestival](https://twitter.com/BlueberryArtFestival)
