

**Social Memberships**

Social memberships provide an opportunity for residents and visitors to stay connected to all things Ely. Both are supporting memberships (non-voting) and receive an invitation to our annual *Smile You're In Ely* business networking event. No web listing or brochure/business card distribution is available with either social membership. These special memberships are open to everyone regardless of geographic location.

**CONNECT ELY:** Everyone is an Elyite! Join our growing Elyite community and experience the best Ely has to offer. Receive our monthly Experience Ely email newsletter filled with events, business promotions, special packages and area news. Your name appears in the newsletter with your initial membership and each year with renewal. \$25 for individual or family/year.

**SOCIAL:** Our social membership is for individuals who desire a connection to our business community. Receive invitations to business workshops, Business after Hours events, and other special activities, along with our Chamber business newsletter. The Social membership also includes the Connect Ely perks. \$50 per person/year.

Both the ConnectEly and the regular Social membership are offered through the Ely Chamber of Commerce & Visitor Center located at 1600 E. Sheridan Street, Ely, Minnesota. Memberships are not tax deductible. For more details contact us at [fun@ely.org](mailto:fun@ely.org) or 218-365-6123.
