## Let's Partner!

### The Destin-Fort Walton Beach Partner Program

Destin-Fort Walton Beach Tourism is excited to partner with you and help promote your tourism business! Destin-Fort Walton Beach strategically places targeted marketing to reach our visitors before they get here. Let us help you attract more customers and increase sales.

From presenting your company at area Welcome Centers to featuring you on the destination website and social media, the Destin-Fort Walton Beach Partner Program offers valuable marketing initiatives with only a small contribution. Becoming a member of the program is easy! All we ask is that you are willing to partner with us on hosting opportunities that will in turn, promote you. There are no funds exchanged.

What does that mean? We will reach out with opportunities to host media and influencers and in return you'll receive media coverage and promotion! As a partner, all that is required is an in-kind/trade exchange for media opportunities throughout the year.

## Easy Sign-Up

To sign up, visit [destinfwb.com/partners](https://destinfwb.com/partners). Then, click on the Destin-Fort Walton Beach Partner Program link to fill out a short form. After you submit your form, a member of the Destin-Fort Walton Beach team will follow-up with you.
