

## Winter in Estes

Stuck on things to do this winter? Check out these blogs for a few of our best ideas then go [VisitEstesPark.com](http://VisitEstesPark.com) to plan your trip.

**Snowshoe** **Cross-country Ski** **Ice Climb** *Splitboard* **Avalanche Education**  
**Backcountry Ski**

Check out the different winter snowsports offered in Estes Park and which Estes Park guiding services will teach you how to take part. And because nothing worth learning can be learned in a day (yes, I made that saying up, I admit it – but it's true, right?), plan to stay in town for a few days and make a vacation out of it.

### Know Before You Go

In Estes, we love to get out and explore the mountains. That's what makes our town great, the ease of access. However, that ease of access can get you in trouble if you're not prepared. Luckily, Estes is a good place to get acquainted with the backcountry and offers guides, safety classes and beginner terrain.

### How to Stay Warm

Winter adventure can be intimidating because well, it's cold. We've gathered some ways for you to keep warm this winter in Estes (hint: it's easier than you think).

Estes Park restaurants are open for takeout and shops are ready to welcome you safely.
