

AFTER HOURS

No need for the fun to end. Explore after-hour activities.

Bowling — Two great options in one! A day of fun bowling and a meal can be planned at many of our bowling lanes.

Miniature Golf — I hate Putt-Putt...said no student ever! A game of miniature golf is sure to be a crowd-pleaser.

Fairfax County RECenters — County RECenters give your group the option for pool time or court time. Both give kids the chance to burn some extra energy.

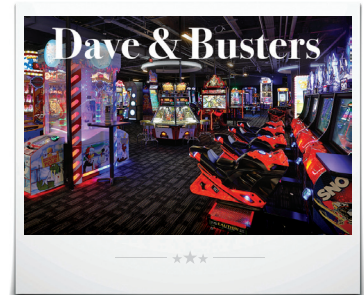

Dave & Busters — This playground is the very best kind! Where groups can eat, play, and watch sports — a student group paradise!

Ice Skating — You don't need to wait for winter to hit the ice. With both year-round and seasonal options, ice skating rinks are a great way to spend some time away from touring.

Performance Venues — The National Capital Region offers so many incredible and one-of-a-kind performing arts venues. For theatre-lovers, there is literally something for everyone.

The Workhouse Arts Center — Partner with this truly unique venue to have your students take an art class after hours and bring home a one-of-a-kind memento from their trip.

Washington, DC — Enjoy the monuments by night and create a memory that will last a lifetime. Or by day, your students will love exploring the museums, monuments, and memorials that can only be found in DC.
