

Itineraries for Grown Ups

GIRLS JUST WANNA HAVE FUN

Brunch at downtown's **Circa 1800** is always a bloody (mary) good time! Or head over to Sip and Shop, where you can sip on the spot or grab a bottle to go! There's also Winterbloom for cocktail, mocktail options for the "sip," Turner Lane, A Bit of Carolina, Reverie, Cursive, and Stevie's for the "shop." www.thecirca1800.com

Hummingbird Candle Company is the ultimate girl's activity, custom candle making. This is more of a sip & pour situation; if you haven't experienced making your custom candle, this is a must-try! www.hummingbirdcandleco.com

Why stop now? Head to **Blue Moon Café** for appetizers and shareables to cap off the beautiful day. www.310bluemooncafe.com

THE MORE YOU BRO

Eggs Up Grill, we must fuel up before the fun starts. Start your day sunny, stacked up, or scrambled, depending on how you like it. Whatever your breakfast choice, Eggs Up Grill in Hope Mills has you covered! www.eggsupgrill.com/locations

Love to swing the ol' irons on occasion? Head over to the **910 Golf Simulator and Lounge**, but make sure you book in advance! Perfect that swing while catching up with friends and family members. It doesn't much better than that! www.910golfimulator.com

We've had a lot of indoor fun, but it's time to take it outdoors again! **Dirtbag Ales** is the spot for afternoon beers, lunch at **Napkins**, and epic games of cornhole. It's the perfect way to keep the celebration going! www.dirtbagles.com

Then take me out to the ballgame—a **Fayetteville Woodpeckers** baseball game, that is. There's nothing like watching the Boys of Summer from a stadium seat! And **Segra Stadium** seats are one of the best in the country! www.fayettevillewoodpeckers.com
