Hemlock Lake Loop
Hemlock, NY

It’s you, your bike and your peace of mind. This route loops around the Finger Lake that has remained untouched by development. A sometime steep and always rural ride that takes you onto paved back roads overlooking miles of vista high above Hemlock Lake to some more populated roads that are still the “roads less traveled.” This quiet ride is more like a meditation than a good workout.

Attractions:
- Hemlock Lake North End Park
