The “Grand Canyon of the East” Letchworth State Park Mt Morris, NY

Distance 25 Different Trails

Difficulty ★ ★

Letchworth State Park is 14,350 acres of scenic magnificence along the Genesee River. Dramatic waterfalls, lush forests and miles of vistas make this park one of the most notable examples of spectacular scenery in the eastern United States. Letchworth offers cabin rentals, campsites, swimming pools, a museum, concessions, fishing areas, picnic shelters, winter sport facilities and of course, an inviting multi-use trail network. Festivals and events, guided walks, lectures as well as whitewater rafting, canoeing, kayaking and hot air balloon rides round out this one-stop family fun destination.

There are over 25 hiking trails in the park, several of which are multi-use. Complete trail map is provided upon entrance into the park. Please refer to website for open dates and entrance fees. Park is carry-in/carry-out please.
