There are 23 miles of multi-use recreational trails criss-crossing Ontario County between Canandaigua, Stanley, and Phelps. Once an abandoned railroad line, this volunteer maintained countryside trail now has a canopy of trees and is an ideal location for birdwatchers. Quiet country settings to enjoy while setting your hectic life aside include a small cascading waterfall in Flint Creek and the Flint Bridge. The bridge is 300-feet-long, perched 40 feet above the creek and is supported by three massive limestone piers, recently reconstructed by a dedicated volunteer team.

There are several spots along the pathway to start your walk and here are two of the most popular:
