

How to fulfill your sanitation needs from Finger Lakes Visitors Connection

8/21/20

- We have posted a sheet of products that we have worked to gather. Fill out the sheet as you would any order form and submit it to us via email. Pick up times are Friday, Saturday or Monday.
- Please know that even though our price column is titled donation request, and payment is a suggested donation, these items were purchased, and we gathered them together so that you did not have to search everywhere for these things that have suddenly become coveted items. We appreciate your donation. We can provide you our 501c3 paperwork as needed.
- Please be patient with us as we strive to fulfill the needs that our community has. We have offered suggestions and alternatives. Some products could not be found and we will create another order form.
- We have sourced as much as we can from local companies that are also very reasonably priced. You may find that we are out of a product, but please let us know that you are still interested, we will continue to build our bank as there is a need.
