

About the ROC/FLX Craft Beverage Trail

The Finger Lakes and Rochester have a diverse selection of wineries, breweries, distilleries and cideries, plus we all share one common theme: we're serious about making an absolutely amazing product. This handy map promotes some of our area's most popular craft beverage facilities in the Finger Lakes and Rochester area of New York state.

The trail accommodates the interests of those who enjoy a variety of locally produced craft beverages including beer, wine, hard cider and spirits — our producers offer unique experiences at their venues and offer the highest quality beverages. At the venues you can chat with the owners, listen to live, local music, experience unique eats, take part in trivia and game nights, and take a tour of the facility. Many welcome families and four-legged friends!

While traveling the trail, you'll get to experience the beauty and excitement of our region. After a fun day of exploring, consider an overnight experience in one of our charming accommodations, indulge in picturesque scenic views and dine at our incredible restaurants. Gather your family and friends and make it a weekend trip!

We'll see you on the trail!
