

MEET *and* Retreat

FLX Style

Ontario County in the Finger Lakes region is an inspired location for your next conference or meeting. Make your meeting stand out at the new state-of-the-art resort conference rooms right on Canandaigua Lake or the historic resorts and lakefront hotels in Geneva. Enhance your group's experience by holding your event or meeting at a winery, themed outdoor garden, or on a 19th century paddlewheel steamboat. Sip wine under an elegant outdoor tent or end the day together around a firepit with smores. You are sure to make your group gathering memorable in the Finger Lakes.
