

Located only 25 miles southeast of Rochester, the scenic community of Canandaigua is known as the “chosen spot” – taken from what the Native Americans called this land back in the 1600’s. Today, you should check out the lakefront lodging and wide Main Street lined with diverse, locally owned shops and restaurants. At NY Kitchen you will find the best of New York State agriculture, food and craft beverages all under one roof. This region is quintessential Finger Lakes - known for its resort like tourism assets, thriving international restaurant options, beautiful residential neighborhoods, rolling agricultural landscapes, and handsome lakeside cottages and summer homes. Canandaigua Lake is a stunning place to enjoy swimming, boating, and fishing.

Naples has a personality formed by several longstanding constants: great scenery – including waterfalls, a keen appreciation of the arts and an obsession with grapes that includes delicious grape pie, purple fire hydrants and the Annual Grape Festival. Every sort of craft beverage can be enjoyed in this small town with both the Canandaigua Lake Wine Trail and ROC/FLX craft beverage trail running through it. For a small town you have some great food choices – organic, farm-to-table, and all locally owned. This is a town where you’ll meet the owners.

Anglers will be excited to find Sutton Company on Main Street in Naples, legendary for their family made Sutton Spoons for trout fishing. Try them out by dropping a line in Naples Creek! Other outdoor experiences include finding your inner zen with a FLX Forest Immersion class in Grimes Glen or cow cuddling at Mountain Horse Farm. Naples is a four-season nature lover’s dream for hiking, mountain biking, hunting, camping, birdwatching, skiing, snowshoeing, and fishing.

Artists have an inherent affinity for Naples's natural beauty. Sculptors, painters, furniture makers, actors, musicians, and others find inspiration around every corner and Naples loves them right back, encouraging creativity and the artistic lifestyle. Summer productions at the Bristol Valley Theater are not to be missed.

The Bristols, (Bristol Center, Bristol, South Bristol) rural and pristine environment explode in autumnal color. Winding country roads lead you (whether on bike or open top car) through breathtaking vistas, directly to roadside farm stands, along the Barn Quilt Trail and to Ontario County's highest point – Jump Off at Ontario County Park and its favorite vista, the County Road #12 Overlook. Bristol Mountain is the premier ski resort in the Finger Lakes Region of Upstate New York that offers 1200' of vertical, 2 high speed quads, and state-of-the-art snowmaking. May through September Bristol Mountain Aerial Adventures offers zipline canopy tours, an aerial adventure park and kids adventure park. Bring your group to the park for a one-of-a-kind group experience in team building.

Romance seekers love the Canandaigua Lake area with its many wineries, cozy bed and breakfasts, and luxurious hotels. If you are looking for the perfect place to pop the question, look no further! Propose in a Japanese Garden at Sonnenberg Gardens & Mansion State Historic Park or on the Canandaigua Lady a 19th century replica of a double-decker paddlewheel steamboat or at Carolabarb's scenic overlook in Naples. The choices are many and varied.

Whether you want to do everything or do nothing (i.e., just breathe the fresh air, kickback, and relax luxuriously) – Canandaigua, Naples and the Bristol Hills provide the luxury of that choice.
