Want to live like a local in Ontario County? We have some of our crowd favorites and best-kept secrets that are great additions to your next Finger Lakes adventure!

**The Sutton Company**, a family-run business in operation in Naples since 1867, produces Sutton Spoons that are must-haves for anyone trout fishing, a popular activity around here. People love to collect them!

**Wally’s Pub**’s prize-winning Wally Burger has captured the hearts and stomachs of our locals for years, located right in downtown Canandaigua.

There’s no better spot for Game Day wings than at the **Green Front** in Canandaigua. With 8 different flavors, ranging from country sweet to sweet red chili, these jumbo wings have been fried to perfection.

**“Pirate Park,”** formally known as Outhouse Memorial Park, is a kid-favorite spot in Canandaigua. There little pirates can hop aboard the park’s pirate ship playground, complete with cannons and sails!

Your child can jump in the driver’s seat in this cool shopping cart designed to look like a car at **Wegmans**. Whether grocery shopping for your rental, or stopping in for a meal at the Market Café, keep the little ones entertained.

**Walk The Labyrinth**, an ancient symbol of wholeness, on the grounds of Clifton Springs Hospital. Located in the middle of The Labyrinth is the Chinese symbol for courage.
Wellness is an elusive concept. For some, wellness means 18 holes and a day on the links. For others, it’s a 50-minute seasonal fruit scrub followed by a 90-minute full body massage. There are those whose mind and body are soothed by retail therapy, and others who long to do yoga in nature. Whatever it means to you, take a trip here and find your bliss... just be forewarned, you may never want to leave.
There is nothing better than a picture to tell a story. Check out some of our favorite spots to snap the quintessential Ontario County photo.

Wohlschlegel's Naples Maple Farm

Red Jacket Orchards in Geneva
In the Finger Lakes, we believe it’s important to know where your food comes from. Nothing beats farm fresh products harvested by the folks who have been growing in the region for generations. “Farm to plate” is not just an idea here, but a way of life.
We believe you’re at your best when you can just relax. Small-town business owners, artists and craftspeople, especially those with their own shops, boutiques, and galleries, are all part of what makes shopping on vacation so much fun.
