

# Student & Youth in the Finger Lakes

Adventure is calling! Join us to experience our unique group experiences. Create life-long memories and build new friendships along the way.

## Outdoor Adventures with Bristol Mountain - Roseland Waterpark and Wake Park - Roseland Mini Golf - Bristol Mountain Aerial Adventures

Share an experience together! Save when you visit Bristol Mountain with a group of 15 or more. Gather a group of friends, students, or colleagues and have a blast at Bristol Mountain. Bristol Mountain group rates are available for groups of 15 or more. One complimentary lift ticket is earned for every 15 paid group admissions. ## Journey Through the Evolution of Communication

With its world-class collection of artifacts and ephemera, The AWA Communication Technologies Museum takes you back in time to explore and discover the history of the technologies we use today in our everyday life. Think about how the ability to communicate instantly around the world has become an important and vital given in our lives. Larger groups can arrange a guided tour. Historians can focus on specific technologies on display and make sure the group's size will not limit anyone's experience. ## All About the Arts

The Artsmart Educational Theatre Series at the Smith Center for the Arts provides educational shows specifically designed for school groups. Children's picture books and classic literature, United States history and world history, and relevant social issues and experiences are all transformed by nationally touring, professional companies. The Smith presents an exciting series that students of all ages are sure to enjoy. [Thesmith.org/artsmart](http://Thesmith.org/artsmart).

### Inspire a Love for Cooking

The New York Kitchen offers students hands-on cooking camps and workshops, as well as school field trips. Classes are designed to focus on engaging local youth in a safe, hands-on learning environment that supports students' curiosity and teaches important life skills such as teamwork, attention to detail, and creativity through cooking and the culinary arts. Students leave with an inspiration for cooking and as aspiring chefs using a variety of culinary techniques and local agriculture. The goals are to spark their culinary interests and foster an appreciation of cooking at home through confidence and creativity in the kitchen. ### Learning Leadership

Hobart and William Smith Colleges proudly hosts a wide variety of youth programs throughout the summer - ranging from leadership and college prep camps to academic competitions, day camps, religious, and sports programs. The campus offers students a unique opportunity to experience college life firsthand, build lasting friendships, gain independence, and develop valuable life skills in a supportive environment. With comfortable overnight accommodations, a full-service dining hall and catering team, versatile meeting and presentation spaces, and plenty of recreational facilities and activities, the campus is equipped to make your summer program a success.
