Canandaigua Lake

CenterPointe Golf Club, Canandaigua

Choosing to start our lives together in the Finger Lakes was the easiest decision we made during wedding planning – it was our destination wedding that we barely had to travel for. We met in the Finger Lakes, fell in love here, and live in the town of Canandaigua. We looked at so many incredible spaces before landing on Seneca Lake State Park for our ceremony. We said our vows overlooking Seneca Lake with fairytale willow trees blowing around us. Then we took our party to the Cracker Factory for a spectacular and unforgettable night of delicious local food, drink and tons of dancing!

Ever since I was little I have always been drawn to, and fascinated with, life from the past. My husband has also grown to love things from the past. I knew our wedding would have to reflect this vintage style we both share. Belhurst Castle was no exception. As soon as I laid eyes on this wonderfully historic venue, I knew there would be no reason to look any further.

BEFORE THE BIG DAY

There is so much to do before your big day, but thanks to the many professionals available in the Finger Lakes to take care of all the logistical details, you can focus on the fun stuff! We can also help with special events that take place before the actual wedding, such as bachelor/bachelorette parties and rehearsal dinners.

Based on your wishes, it's possible to organize any sort of event, from something sophisticated and pampering to good old-fashioned fun.

Here are a few of our favorites:

Wine Tours in the Finger Lakes

What's the number one request for what to do in the Finger Lakes? Yep, that's right — how do I take a wine tour? Each winery has its own distinct personality, just like the passionate people who make the wines. A visit always includes a wine tasting. But depending on the location, you might also be able to tour the vineyard or the facility where the wine is actually made.

Want to hit the wine trails with your friends or family without the worry of who is going to drive? Here in the Finger Lakes, you have options.

Several companies like **Bragdon House Wine & Craft Beer Tours**, **Finger Lakes Winery Tours**, or **Crush Beer and Wine Tours** offer transportation and planned or customized itineraries of the wineries and breweries in the Finger Lakes via limousine, sedan, tour bus or trolley. Ride in comfort and safety with professionals who can maximize your enjoyment. Some tours include guides who lead you through your tasting experience.

Wine trails are the recommended way to organize your tasting experience. These trails range from smaller trails like the **Canandaigua Lake Wine Trail**, to the largest, the **Seneca Lake Wine Trail**. Use the **New York Kitchen** or the **Finger Lakes Wine Center at Sonnenberg Gardens** to start your tasting experience. Make sure you sign up for more information from the wineries.

You can save money by getting a passport like the Canandaigua Lake Wine Trail offers — it's perfect for intimate groups! Or, you can find special events like Deck the Halls sponsored by the Seneca Lake Wine Trail. Just make sure to call your wineries ahead of time to check their hours.

And have fun!

Finger Lakes and Rochester have a diverse selection of wineries, breweries, distilleries and cideries, plus they all share one common theme: they're serious about making an absolutely amazing product. There's something uniquely satisfying about sampling a fresh batch of beer, cider, or other special spirit, right where it was made, so we invite you to take a guided tour and learn the tricks of the trade at one of our amazing spots.

Each of our craft beverage makers whip up seasonal and special production blends, including many from local ingredients. Nothing beats talking with the people making the actual drinks and sampling our varieties.

With over 40 wineries, breweries, cideries and distilleries on the map, and more popping up every day, the Rochester/ Finger Lakes craft beverage culture is in full force. So where can our wines, beers, ciders and spirits be tasted? Follow the map to our craft beverages and plan your visit today:

Reservoir Creek Golf Course staff will ensure you and your guests have a memorable experience from beginning to end. The Director of Golf will help you plan your golf tournament layout, and staff will assist with the entire event. The entire course was built on the idea of "laying the course gently on the land" – which is evident in how it follows the natural contours of the hillside and is mature beyond its years.

1. Geneva Row Houses – Built in the 1800s, the Geneva row houses resemble the architecture of Boston and Georgetown. Put on your walking shoes and enjoy the views as you cruise along Main Street with the lake across the street.

2. County Road 12 Overlook – Sunrise and sunset. Fall foliage and falling snow. Summer sun and spring bloom. There simply isn't a bad time to pull out the camera and capture the beauty of the Finger Lakes! This spot overlooks beautiful Canandaigua Lake, and is ideal for sunrise, fog over the lake, or diminishing afternoon light on the sparkling boats in the distance.

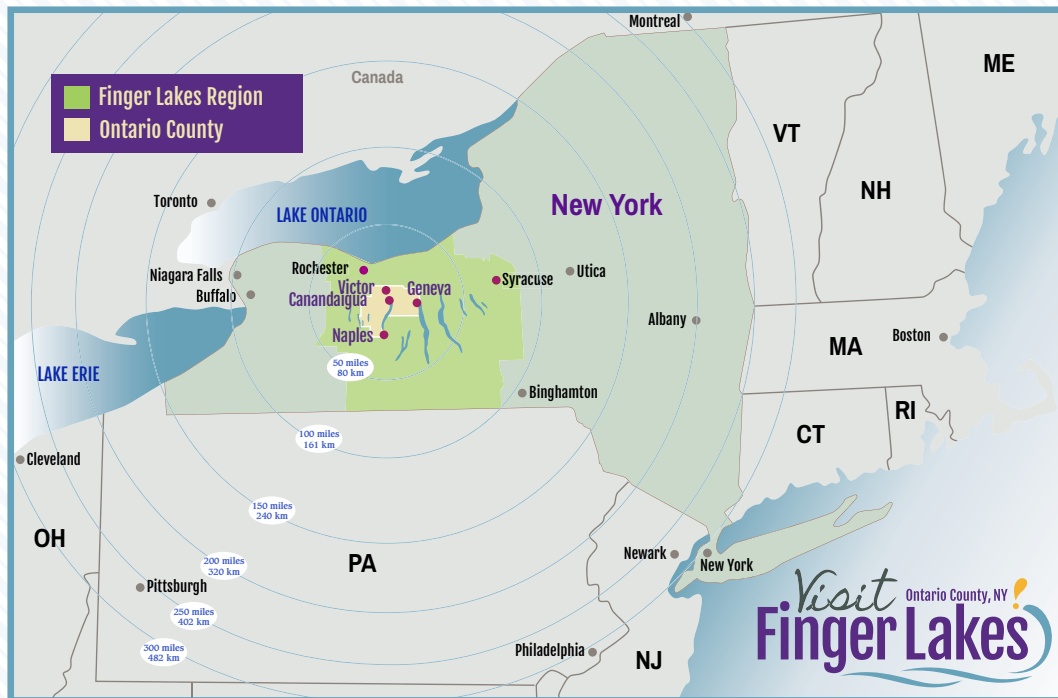

3. Canandaigua City Pier Boat Houses – With their rustic nature, the boat houses are an attraction for artists, visitors, and photographers. They remain one of Canandaigua's strongest and most popular attractions.

4. Geneva Long Pier – Long Pier in Geneva is truly one of our favorite places to take a picture! On your way out, enjoy a spectacular view of Seneca Lake. On your way back, relish a panoramic view of Geneva's lakefront. You can drop in a fishing line or catch the breeze off the lake. It's a beautiful place to watch the weather travel up the lake, or take in a sunrise or sunset.

5. The Village of Clifton Springs – The Victorian era is alive in this historic village. Focus on the architecture or zoom in on the historical aspects of this beautiful village.

6. Ontario County Park at Gannett Hill – With spectacular views year-round, this park is home to the "Jump-Off," a name for an overlook to the valley below. The Jump-Off is a perfect vantage point to see the rolling Bristol Hills.

GETTING HERE

Ontario County's Finger Lakes

Driving to the Finger Lakes is the way most people prefer to get here and experience the area. The roads are great and the scenic vistas draw you from one destination to the next. In Ontario County, traffic jams are practically non-existent, and parking is easy and free. But if you choose to travel by another means, we have tips on that too.

Our corner of the Finger Lakes, Ontario County, is only a short drive from three major upstate New York cities,

which are in turn accessible by bus, train, and air travel. Rochester (ROC) is about 40 minutes northwest from Canandaigua (the seat of Ontario County), while Syracuse (SYR) is about 70 minutes east. Buffalo (BUF) is approximately an hour and 30 minutes to the west. Rochester, Syracuse and Buffalo each have an airport, bus, and train station. We recommend you contact your preferred choice of transportation service.

The Finger Lakes Region is located within a five-hour drive of most east coast metropolitan areas including New York City, Washington DC, Boston, Philadelphia, Toronto, Ottawa, Cleveland, and Hartford.
