Until We Are Able To Leave COVID-19 In Our Rear Views

Our goals are to:

Ensure our ability to care for the sick within our hospitals.

Prevent infection in people who are at high risk for severe disease.

Build the capacity to protect the health and well-being of the public.

Reduce social, emotional and economic disruptions.

4 Stops On The Road To Reopening

Prevent & Protect

Phased Reopenings

Monitor & Reassess

The New Normal

Prevent & Protect

- Monitor and protect our communities through testing, contact tracing, isolating, and supporting those who are positive or exposed.
- Prevent infection in people who are at risk for more severe COVID-19.
- Secure PPE to minimize exposure.

Phased Reopenings

The Proposed Phase Approach:

- Is Based on Up-To-Date Data and Readiness
- Mitigates Risk of Resurgence
- Protects the Most Vulnerable

Guidelines for All Phases

Continue to Practice Good Hygiene

- Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
- Avoid touching your face.
- Sneeze or cough into a tissue or the inside of your elbow.
- Disinfect frequently used items and surfaces as much as possible.
- Strongly consider using face coverings while in public, and particularly when using mass transit.

People Who Feel Sick Should Stay Home

- Do not go to work or school.
- Contact and follow the advice of your medical provider.

Reopening America Phase I

- ☐ Continue shelter-in-place protections for vulnerable populations.
- ☐ Practice social distancing; keep gatherings to less than 10 people.
- ☐ If keeping gatherings under 10 people is not possible, ensure ample space for social distancing.
- ☐ Continue to refrain from nonessential travel.
- ☐ Continue encouraging telework where feasible and practice social distancing in the workplace.
- ☐ Large venues can operate under strict social distancing protocol.
- ☐ Schools/daycare/organized youth activities should remain closed.
- ☐ Bars should remain closed.
- ☐ Gyms can open if they adhere to strict social distancing and sanitation guidelines.

Reopening Flagler Phase I

- ☒ Parks, trails and beaches reopen with limitations.
- ☒ Continue strongly recommending elderly and people with underlying conditions stay home.
- ☒ County government will continue social distancing measures.
- ☒ Local businesses should continue encouraging telework where feasible, and practice social distancing in the workplace.
- ☒ Residents and businesses are strongly recommended to wear face coverings as part of daily practices.
- ☒ Schools/daycare/organized youth activities will remain closed.
- ☒ Bars should remain closed.
- ☒ Gyms can open if they adhere to strict social distancing and sanitation guidelines.

Reopening America Phase II

- Continue shelter-in-place protections for vulnerable populations.
- Practice social distancing; social settings of more than 50 people should implement social distancing measures.
- Nonessential travel can resume.
- Continue encouraging telework where feasible and practice social distancing in the workplace.
- Large venues can operate under moderate social distancing protocol.
- Schools/daycare/organized youth activities can open.
- Bars can open, but should strictly limit standing-room occupancy.
- Gyms can remain open if they adhere to strict social distancing and sanitation guidelines.

Reopening Flagler Phase II

- ✓ Parks, trails and beaches reduce their limitations.
- ✓ Continue strongly recommending elderly and people with underlying conditions stay home.
- ✓ County government will continue social distancing measures, but may modify as appropriate.
- ✓ Local businesses should continue encouraging telework where feasible, and practice social distancing in the workplace.
- ✓ Residents and businesses are strongly recommended to wear face coverings as part of daily practices.
- ✓ Schools/daycare/organized youth activities can reopen.
- ✓ Bars can reopen, but should strictly limit standing-room occupancy.
- ✓ Gyms should continue to adhere to strict social distancing and sanitation guidelines.

Reopening America Phase III

- ☐ Vulnerable populations can resume public interaction, but should practice precautionary measures.
- ☐ Gatherings of any size can occur unrestricted, but proper hygiene should be observed.
- ☐ Workplaces can resume unrestricted operations.
- ☐ Large venues can operate under limited social distancing protocol.
- ☐ Bars can increase standing-room occupancy as applicable.
- ☐ Gyms can remain open if they adhere to strict social distancing and sanitation guidelines.

Reopening Flagler Phase III

- ☒ Parks, trails and beaches open without limitations.
- ☒ Vulnerable populations will be strongly encouraged to be diligent about distancing and hygiene when out in public.
- ☒ Normal county government operations will resume; all facilities will observe proper hygiene measures.
- ☒ Local businesses can resume unrestricted operations.
- ☒ Residents and businesses are still recommended to wear face coverings as part of daily practices, until a vaccination is publicly available.
- ☒ Bars can increase standing-room occupancy as applicable.
- ☒ Gyms should continue to adhere to strict social distancing and sanitation guidelines.

Monitor & Reassess

- Monitor the number of confirmed COVID-19 cases in Flagler County as well as neighboring counties. If there is a steady increase in cases, we will reassess and reinstitute precautionary measures if necessary.

The New Normal

Things will look different:

- Businesses will maintain social distancing practices and modified operating procedures.
- Face coverings will likely be common in public.
- Measures such as social distancing and handwashing will continue.
- Mass gatherings and events will be unlikely to resume in the near future.
