

Introducing  
*\*Bessie\**

Sponsored by:

The PCAF Turtle Trail is a community sculpture project enjoyed by residents and visitors alike. Using the indigenous loggerhead sea turtle as the model, these incredible works of art can be found in many areas throughout Flagler County.

"Bessie" is a nature-themed loggerhead painted by and named after local Artists Erik & Helene Bess. Bessie is located at the Flagler Beach Historical Museum and serves as an ambassador, touting the natural beauties of the county.
