## Reviewing Sales Leads:

1. Once you are logged in, click on the “Opportunities” tab in the left hand area of your screen and click “RFPs”.
2. Once inside the RFPs section you will see a grid of any leads that have been sent to your property. You can create your own filters to filter out any leads you do not want to see.
  - a. Status
    - i. **Closed / No Bid Sent:** the response due date is prior to today, and the property did not respond
    - ii. **Open:** the lead is tentative, the response due date is either today or in the future, and property has not yet responded
    - iii. **Open / Bid Sent:** the lead is tentative, the response due date is today or in the future, and the hotel responded as Pursuing
    - iv. **Turned Down:** the property has responded as Not Pursuing
    - v. **Closed / Decision Pending:** the lead is tentative, the response due date is in the past, and the property responded as Pursuing
    - vi. **Closed / Lost to Another City:** the Lead is Lost in CRM
    - vii. **Closed Cancelled:** the Lead is Cancelled in CRM
    - viii. **Closed / Won:** the Lead is Definite in CRM, and the property has been selected
    - ix. **Closed / Won - Properties TBD:** the Lead is Definite in CRM, the property has not been selected, and the TBD Account is selected
    - x. **Closed Lost:** the property was not selected, and the TBD Account is not selected
  - b. Groups (Meeting, Tour, or Media)
  - c. Whether you have responded or not
  - d. Search for leads by Organization or Lead or Lead ID. Once your search term is entered, press tab on the keyboard and the results will be filtered
3. You are able to sort your list of leads by clicking on any of the column headers (i.e. Meeting Name, Organization, etc)

### Entering Booked Rooms 30/60/90/120 Days Out

Properties that have been selected for a meeting sales lead can now enter their booked rooms leading up to the event date via the extranet.

Once a Lead has been updated to a "Definite" status the selected hotel properties will have the opportunity to enter the number of booked rooms 30, 60, 90, or 120 days out leading up to an event.

1. Select the lead you want to update by clicking its name or by clicking the eye icon in the actions column.
2. Navigate to the Room Data section on the lead and click the Daysout link to enter the 30, 60, 90 or 120 numbers.
