

Explore Fort Wayne's Riverfront

Since Fort Wayne's establishment, our three rivers: the St. Mary's, the St. Joseph, and the Maumee, have been an intrinsic part of the city. From adventuring the trails along the river, to getting out onto the blueways, there are plenty of opportunities for you to experience and bond with the water!

Play on the Rivers

If you're ready to venture onto the waters, you can do it by canoe, single or double kayak, or standing paddleboard. [Fort Wayne Outfitters](#) rents all three at hourly, half-day, and full-day rates. You can also rent canoes or kayaks from [Earth Adventures Unlimited](#).
