

# 2024 Visit Fort Wayne Visitors Guide

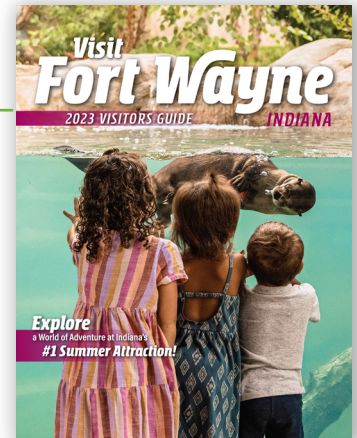

## Advertising Media Kit

### Print

Advertising in the Fort Wayne Visitors Guide is THE way to reach the targeted visitor market, answering the question, "What is there to see and do while I am in Fort Wayne?"

Visitors Guides are sent to potential visitors, residents and groups who request information about the community. In addition, they are available in hotels, attractions, venues, and restaurants all over town. We distribute 70,000 each year.

Fort Wayne hosts 7 million visitors annually, and these visitors spend \$803 million in our community. Bring a share of this spending to your business by advertising to business through your partnership with *Visit Fort Wayne*.

## We recently underwent a study of our Visitors Guide, and the use of Visitors Guides in general. We learned that:

- People order a Guide to learn more about the destination. They discover things that they would have not known they could do, and it encourages them to spend more time and money in the destination.
- People learn about the destination in the Guide and then go to our website to learn more and book specific travel.
- **90% said that they do more in a destination when they read the Guide** and they discover and do things that they wouldn't have known about.

**A PRINT GUIDE IS A VITAL AND NEEDED RESOURCE!**
