The rates, terms and conditions being quoted by Hotel are contingent upon the assumption that the Hotel contract and other Hotel-generated forms will be the sole operative documents.

Hotel room rates are subject to applicable state and local taxes currently 17.3% (6% state tax, 9% city tax and a taxable 2% Fort Worth Tourism PID Fee), in effect at the time of check-out. This group rate is net non-commissionable.

**State Recovery Fee:**  
Texas law imposes a margin tax on each company conducting business in Texas, including the Hotel Owner. To recover the cost of the margin tax, guest room rates are subject to a “State Cost-Recovery Fee” (currently .81% of the room rate, plus applicable state and local taxes).
