Listings:

Listings are associated with your account and display a brief property description on our website. Changes will be pending until a representative of Visit Fort Worth approves them. You cannot alter a listing that is in a pending status.

The screenshot shows a web interface for managing listings. On the left is a vertical navigation menu with icons for user profile, document, megaphone, pie chart, and wrench. The main header is 'Listings'. Below it is a 'Filters (0)' section with a 'Manage Filters' link and a message: 'You have not added any filters. You can click the manage filters link in the top right corner or click the gear icon from the grid to add filters from the available list and set a default value to use in the future.' Below the filters is a blue 'ADD LISTING' button with a red arrow pointing to it. The main content is a table with columns: Actions, Company, Listing Type, Category, Subcategory, and Listing ID. The table contains one row for 'Simpleview Hotel and Conference Center' with Listing ID 41983. The 'Actions' column for this row has three icons: a pencil (edit), an eye (view), and a clone icon. A red arrow points to the pencil icon. At the bottom right of the table are pagination controls: 'Page 1 of 1' and 'Go to Page: 1'.

Actions	Company	Listing Type	Category	Subcategory	Listing ID
  	Simpleview Hotel and Conference Center	Website	Accommodations	Luxury Resorts	41983

After you click the Collateral icon and then Listings, you will be presented with your property’s listings. These listings will be website listings. The pencil icon will allow you to edit your listing information. By clicking the eyeball icon, you can view your listing information. The clone icon will allow you to duplicate a listing. You can also create a new listing by clicking the Add Listing button.
