## Healthy Menu Options

Through collaboration with the leading team of dietitians at Core Performance®, Sheraton has created Color Your Plate™, a program that provides menu options full of well-balanced, flavorful meals for your meetings. Our dishes combine whole grains, fruits and vegetables, lean protein and healthy fats to help control and sustain energy levels for your attendees.

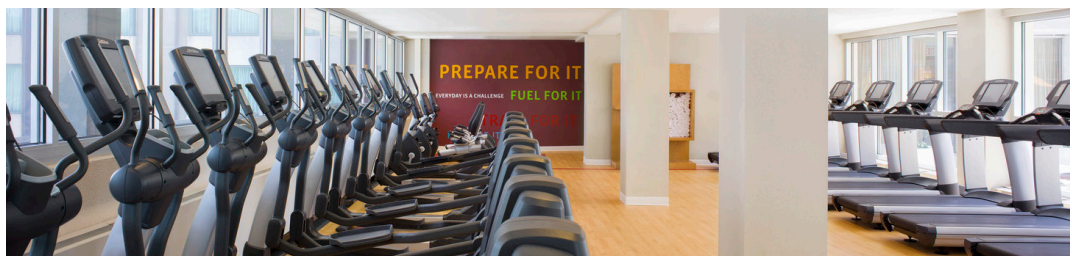

## Stay Connected

Your attendees can come together to meet, connect and relax at the Link@SheratonSM experienced with Microsoft®. Whether taking care of business, gathering to informally network, or staying connected with free Wi-Fi, this is the center of activity at Sheraton Hotels.

## Increased Energy & Performance

Sheraton has partnered with Core Performance® to develop an exclusive fitness program to help your attendees increase energy and performance. Today, our Sheraton Fitness Centers are bigger and offer state-of-the-art equipment and exercise routines that fit individual needs.
