

FORT WORTH MUSIC

Fort Worth was recently named a “Top 6 U.S. City to Watch” by *Conde Nast Traveler* where the article cites “a music scene on the verge of competing with Austin thanks to local crooner Leon Bridges and Niles City Sound.” Live music continues to grow across the city including dozens of live music venues and events such as Fortress Festival, Sundance Square’s Bands on the Bricks, weekly live concerts at Billy Bob’s Texas, Panther Island’s Rockin’ the River Summer Concert Series and the Near Southside’s Friday on the Green and many more.
