COMMERCIAL FILMING APPLICATION

SET AND SECURITY PLAN

A. SET PLAN

Please describe below the layout of the production set, including any modifications to City property (including streetscape) that is being requested. Include any set structure that will be built, or structural modifications that will be made to existing buildings, on City-owned property as a part of the production of this film. This information will be reviewed by the City's Department of Public Works and Building Department, respectively, to determine the need for building permits. Attach additional pages as needed.

B. SECURITY PLAN

Please describe below the security plan for the duration of the filming. Please include if a private security company has been contracted and/or if off-duty police officers will be requested. This information will be reviewed for approval by the Frederick Police Department Chief of Police or his designee prior the issuance of a filming permit. Attach additional pages as needed.
