Dear Laura:

It gives me great pleasure to submit this proposal on behalf of the Greater Fort Lauderdale Convention & Visitors Bureau and the Broward County Convention Center for the **AMTA National Convention 2024**.

The Greater Fort Lauderdale area strikes the perfect balance of business and pleasure. Whether it's the exceptional hotels in our convention district, or the beachfront resorts along Fort Lauderdale Boulevard, delegates are just minutes from the Broward County Convention Center, miles of Blue Wave beaches and Intracoastal waters, enticing restaurants and outdoor cafes, top-notch shopping, million-dollar yachts, and a vibrant downtown arts & entertainment district. This all comes together to provide your clients and attendees endless experiences in our casually elegant year-round meeting paradise.

Let your events shine. Landmark meetings start at the Broward County Convention Center. Situated on the Intracoastal Waterway, this inspired LEED Gold Certified facility offers breathtaking views through a magnificent wall of east-facing windows in the main foyer. Additionally, you have a choice of more than 3,000 hotel rooms within a 2-mile radius of the center, both on and off the beach.

Getting here has never been easier. FLL-Fort Lauderdale/Hollywood International Airport's recent expansion project, which added a new runway in late 2014, has allowed FLL to add hundreds of in and outbound flights on 34 airlines – 650 daily non-stops to/from 60+ destinations. The expansion also includes more gates (14 new ones online or coming), a streamlined security checkpoint, concourse connectivity, and larger immigration arrival operations – including Mobile Passport Control. And, the center and hotels are within 2-4 miles from the airport – which saves you and your traveler's valuable time and money on transfers.

**Greater Fort Lauderdale CVB Incentives:**

- The CVB will pay \$44,000.00 towards your rental at the Broward County Convention Center.

### **GFLCVB Marketing Assistance**

- Complimentary created/hosted microsite for conference promotion providing a view of what to do in the area from [www.sunny.org](http://www.sunny.org) but offering customized content, if desired. GFLCVB Services team will gladly assist.
- The GFLCVB can make available other social media outreach opportunities to generate interest in the conference the destination through our Marketing/Communications departments – i.e., Twitter, Facebook, Instagram.
- The GFLCVB will also provide selections of items for promotion such as collateral, small promotional items.
- The GFLCVB public relations team will issue press releases to appropriate local and regional media if desired, about the conference or help present during any on-site press conferences.
- The GFLCVB will also make available for conference promotion digital images, logos, b-roll or specific marketing media images to assist with conference brochures, websites or other conference promotion needs. The use of these images is limited exclusively to destination and conference promotion and not for commercial advertisement use.

This document is not binding. Greater Fort Lauderdale Convention and Visitors Bureau will provide a formal agreement for your signature upon official notification of a contract with one of our local hotels.

We look forward to hosting you along our sunny shores!

Sunny regards,
