

This is the best time to be a craft beer lover in Greater Fort Lauderdale. With so many breweries and beer bars in the area, you have countless taps, flavors, pub foods and experiences to explore. Downtown or by the water. Local mango or a malty import. Beer culture is thriving in Greater Fort Lauderdale.

## What Is Craft Beer?

It's beer that is handmade in a traditional way by a small brewery. Craft brewers are focused on innovation and creating interesting flavors. You'll often find seasonal or limited edition beers, and be sure to ask your server about food pairing.

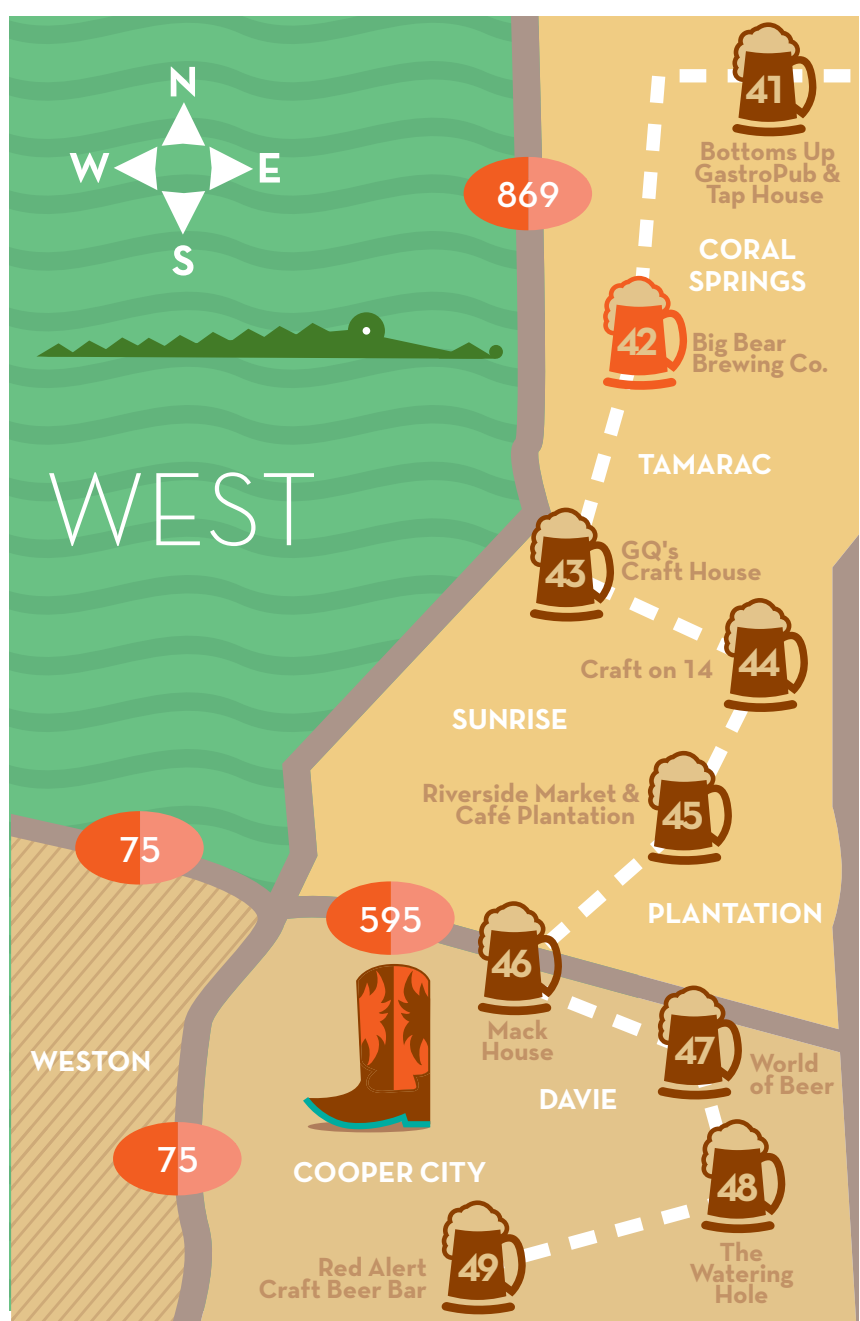

**5000**  
The barrel-per-year capacity Funky Buddha opened with in 2013. Now they produce nearly 8 times that.

**7440**  
The number of pints that 30 barrels fill at 26° Brewing Company
