

GREATER FORT LAUDERDALE

Lesson 3: Butterflies, a walkthrough Butterfly World

Write a paragraph about what you will see at Butterfly World:

Questions:

1. If there are 50 different species of butterflies at Butterfly World and 20,000 total butterflies, then **how many butterflies per species** are there?

(this is an example, not actual amounts.)

-
2. **TRUE or FALSE:** The typical life span of an adult butterfly is between two and four weeks?

3. How many total wings and legs do butterfly have? _____

4. **TRUE or FALSE:** Butterflies have mouths.

5. List 3 different “foods” that butterflies consume:

1. _____
2. _____
3. _____

GREATER FORT LAUDERDALE

Bonus Activity: Color this butterfly!
