A Match Made in the Mountains

Romance is inevitable when your head's already in the clouds.

So, you want to take your relationship to the next level. Heading to the mountains is one way to do it... But tying the knot is more what we had in mind. Gatlinburg is one of the top wedding destinations in the country—and for good reason. Not only do the mountains provide the perfect backdrop for your forever photos, but our hills are strategically dotted with chapels, reception halls and florists to make this your one-stop shop for a stress-free Special Day.

From small gatherings to all-out bashes, we have venues for guest lists of any size. Find charming log chapels for the classic couple or outdoor venues fit for the perfect fairytale beginning. For the more free-spirited, explore eclectic venues to invite friends and family to throw an all-out celebration for the newly wedded couple. From traditional to modern, Gatlinburg is the picture-perfect setting to say, "I do."

Although we do have a soft spot for nuptials, there's still plenty of romance to go around for those going steady or just starting out. Mosey down to the Parkway to find a multitude of places to cozy up with a quality cocktail or set the mood with a candlelit steak dinner by the river. We can't confirm that there's love in the air at this altitude, but we do think you'll find there's an ambiance that can't quite be explained.
