ART AT ALTITUDE

Our attention to detail is just as high.

In a community that's so connected to the outdoors, it seems fitting that our locals are downright resourceful – a characteristic that can easily be found on display within the Great Smoky Arts and Crafts Community. Since the 1930s, the Community has represented the largest independent organization of artisans in the country, and they specialize in a wide range of organic mediums. Everything from woodworking and woven goods to jewelry making and ceramics can be found along their eight-mile loop of shops, studios and galleries. Oftentimes, you can even catch a glimpse of the artists in action, demonstrating signature techniques handed down for generations or relaying the captivating histories of their trades to eager onlookers.

Add even more color to your time in Gatlinburg with our annual art-centric events! Hands On Gatlinburg is a three-day immersive experience every May that allows you to learn from the Community's artists themselves. All art supplies and materials

are provided, so make the most of your ticket by signing up for as many classes as you can! Then there's the Gatlinburg Craftsmen's Fair. Celebrating its 50th year, this event brings artisans from all over the country to the Gatlinburg Convention Center every July and October, giving shoppers a chance to peruse hundreds of booths of beautifully displayed art. We hope you leave room in your suitcase!
