

CALLING ALL OUTWARD-BOUND EXPLORERS

GO ALL OUT

And get a load of this fresh air.

Love the Great Outdoors? You've come to the right place. Gatlinburg is the perfect destination for getting in touch with your wild side. We have top-notch hiking, biking and walking trails featuring peak mountainside views, plus rafting experiences and a four-season adventure park if you care to veer off the beaten path a bit. Now that we think about it, you're not even tied to staying on the ground! Make an outing to one of the many sky-high attractions around town for the chance to take in Earth's terrestrial beauty from a new perspective.

Not all of our attractions are made to get your adrenaline going. Take our exceptional aquarium, for instance. With wildlife of all kinds to observe, it's a low-key activity that encourages learning and connection with the natural world all the same. You can even get a taste of what mountain life is really like by taking a stroll past all of the unique shops along the Parkway or by checking out our motley assortment of museums. And if you happen to need a recommendation, don't be afraid to ask a local. We'd love to help point your adventure in the right direction.

CALLING ALL RAPID RIDERS

EITHER OAR WILL DO

Hit the river. Feel the rush.

Thrill seekers, we invite you to brave the white caps of the all-powerful Pigeon River. Of course, you don't have to do it alone though! We have multiple premier rafting companies in the area that host guided rides down our class III and IV rapids. Experience levels range from beginner to total pro, so there's an option sure to accommodate everyone in your group. The further you head downstream, the more things sloooow down. Which makes this part of the river ideal for a relaxing, day-long rafting adventure. So, consult with your crew and be ready to go with the flow!

Gatlinburg Rafting Outfitters survived the floods of Hurricane Helene in September of 2024. Though buildings were lost, we will persevere. The river community has a lifestyle and an attitude that overcomes challenges. Rebuilding is underway. We look forward to providing terrific experiences on America's number-one river. Come raft with us in 2025!
