### Extra help for the travel planner

If you're the creator of the daily itinerary and the keeper of the dinner reservations, first of all, thank you for all that you do. Secondly, we think you'll find that these listings will serve you well—quite literally. We've compiled every business, service, and public institution you could ever possibly need to keep your trip to Gatlinburg going according to plan.

Need the phone numbers of the best tour operators in town? We've got those. How about a last-minute caterer or a local bank? Turn the page. Or say you just want a little R&R after putting in hours of planning? See the Salon & Day Spa section to de-stress with the best of them. It's the least we could do to help make your job even the slightest bit easier.
