### Safety Plan – Guest Information

Gilroy Gardens staff members are trained for emergency situations. We recommend you discuss the following with your group, including children who are old enough to help ensure their own safety. Gilroy Gardens has a no-smoking policy.

- Lost Children** – Contact Security for assistance. If your group travels with a cell phone, we recommend you attach that number to your child. Wristbands are available at the Welcome Center, free of charge, for this purpose.
- Lost Articles** – For your safety, do not enter unauthorized areas to retrieve lost articles. You may be seriously injured if you enter an unauthorized area. If you lose an article on a ride, you may notify a Rides Associate or check Lost & Found at the Welcome Center at the end of the day.
- Contacting First Aid or Security** – Any employee in uniform is trained to assist you in locating a Security Officer or contacting First Aid. Note: Dialing 911 from your cell phone will waste time, as these calls go to an outside agency, and we will be unaware that you require assistance.
- Emergency Exits** – Should a situation arise in which the Park is evacuated, please make note of the four major Emergency Exits. Emergency Exits are marked with our "EE" Wayfinding System.
