

TOP 5 REASONS TO GO TO “GOLDEN RESTAURANT WEEK,” FRIDAY, JANUARY 31 TO SUNDAY, FEBRUARY 9, 2020

In November 2019, the *Denver Post* declared, “Golden’s restaurant scene is blowing up,” and that Golden “is now joining the ranks of Colorado’s food destinations.”

Golden Restaurant Week, Jan. 31-Feb. 9, 2020, is the perfect time to find out why everyone is talking about the dining scene in this historic town at the edge of the mountains. Here are the top 5 reasons to dine in Golden during this special event:

1. More than a dozen restaurants will offer specials such as two-for-one cocktails, discounted entrees; three course dinners; free bottles of wine; free appetizers, free deserts and more. It’s the perfect time to visit a new restaurant, or enjoy an old favorite. For a complete list of restaurants and specials being offered, visit www.VisitGolden.com.
2. The holiday lights in Golden are staying on until mid-Feb. 2020, making this quaint historic town more romantic than ever. Thousands of twinkling lights line the paved path that follows Clear Creek from the center of town up into the mountains. It’s been called by *Westword*, the “most beautiful urban trail in Denver,” and it’s lovely when illuminated.
3. Parking in Golden is free after 5 pm and on weekends. As you walk along Washington Avenue, you’ll see galleries, clothing boutiques, candy stores, bars, breweries, distilleries, and outdoor cafes.
4. Golden has plenty of cool places for a pre-dinner drink. There are seven craft breweries in Golden, two distilleries and a handful of tap houses and cocktail bars. Downtown is easy and walkable to move from drink to dinner, or there are award-winning breweries with sunset and mountain views.
